

Welcome to **Algebra 1!** Algebra, according to Webster, is a generalization of arithmetic in which letters representing numbers are combined according to the rules of arithmetic.

The **textbook** used in this course is enVision Algebra 1 by Pearson © 2018.

Access textbook **resources** through the school district's Pearson EasyBridge link (see **Online Resources**).

Fall Semester

- Topic 1 – Solving Equations & Inequalities
- Topic 2 – Linear Equations
- Topic 3 – Linear Functions
- Topic 4 – Systems of Linear Equations & Inequalities
- Topic 5 – Piecewise Functions

Spring Semester

- Topic 6 – Exponents & Exponential Functions
- Topic 7 – Polynomials & Factoring
- Topic 8 – Quadratic Functions
- Topic 9 – Solving Quadratic Equations
- Topic 11 – Statistics

Attendance & Tardy Policy

Attendance is the most important reason for student success in the classroom. The school district's attendance policy will be followed.

- Federal, state, and WCSD defines **chronic absenteeism** as absences where make-up work (assignments, quizzes, tests, etc.) is **not** completed.
- Students must **not be absent 10% or more** (> 8 days) of school days or they will **fail** the course(s).
- Entering the classroom after the bell is considered a **tardy**, or unexcused missed instruction (**UMI**). Tardy **detentions** will be assigned during lunch or after school.
- Excessive tardies that are not excused (**EMI**) will result in an **office referral**

Updated parent/guardian and student **attendance manuals** regarding absences (medical, circumstance, domestic, religious, school, emergency family business, truancy, etc.) are at my **website**, <http://papachan.weebly.com> under **Important Links**. Additional information is available in the Reed High **Student Handbook**.

Conduct & Behavior Policy

- Be **respectful** and **responsible**. Success will follow!
- Inappropriate behavior** is unacceptable.
- Cheating** will not be tolerated and will result in a referral and parental contact.
- Food** and **drinks** are not allowed in the classroom (only bottled water).
- Dress code guidelines** will be followed according to the student handbook.
- Disruptive items** are not allowed (music players, cell phones, etc.).

Failure to follow these guidelines will result in, but not limited to: **warning, parental contact, office referral, parent-teacher conference, removal from class**.

Materials Needed

- 2-inch, **three-ring binder** with **section dividers** and **tabs**.
- Extra sharpened **pencils** or **pens** and **notebook paper**.
 - Pencils available for 25¢ each.
- **Two-pocket folder** for miscellaneous papers.
- **Scientific calculator** (optional, but highly recommended).

Academic Responsibilities

Keys to Success

- Be organized (with note-taking & homework)
- Plan ahead (for homework & studying)
- Review & practice (with a friend or classmate)
- If in doubt, ask questions!

Be prepared for class (textbook, notebook, assignments, pencils or pens, notebook paper).

- Notebooks must be **organized** with labeled section dividers (**Warm-Ups, Notes, Homework, Other**).
- Please take care of and keep track of assigned **textbooks**.
- **Homework** must include HW #, assignment, problems written out, and necessary **work shown**.
- **Late homework**, worth up to 60%, must be turned in within one week after the due date.

Make-up work must be turned in within “time equal to the number of days you were out” of class. If you were absent on the day a **test** was given, you will be expected to make it up the day you return to class. A **missed quiz** will be grade **exempt** if the absence is excused. Otherwise, it will be counted as a zero.

Help & Support

If you start **falling behind**, feel **unclear about concepts** taught, or were **absent**, then you must make an effort to catch up! Get **help** as soon as possible!

- **Extra help** before school, during lunch, and after school is available by appointment. See me in **room 219** or the **Math/Science office** (Red Hall).
- **Math Tutoring:** After school in the library. Days and hours to be announced.
- **Local Sources:** Private tutoring at **UNR** or **TMCC** (academic programs) & businesses. Check your local listings.

Online Resources

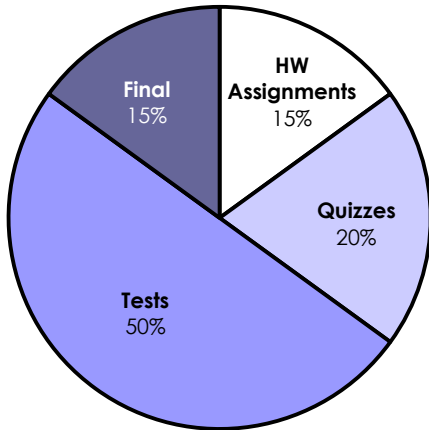

- **Washoe County School District** (<http://www.washoeschools.net>)
- **Infinite Campus** (<https://washoenv.infinitecampus.org/campus/portal/washoe.jsp>)
– attendance, grades, calendar, news, student schedule, and more.
- **WCSD envision Mathematics** (<https://www.washoeschools.net/domain/684>)
– Pearson EasyBridge online access w/instructional games, homework, assigned assessments, and more.
- **Mr. Chan's Website** (<http://papachan.weebly.com>)
– important links, announcements, upcoming events, help & support, contact information, class assignments & notes, and more.

Grading System

Academic grades are weighted based on the following chart:

Academic Grading Scale
(per semester)

A	≥ 90.0%
B	≥ 80.0%
C	≥ 70.0%
D	≥ 60.0%
F	< 60.0%

Citizenship grades are based on a student's attitude, conduct, and behavior.

An unexcused missed instruction (**UMI**) will **lower** your citizenship grade by a grade point after the first tardy (per semester).

Missing assignments (MI) and assignments you were absent (AB) for can be made up for FULL points! Assignments with Zeros (0) can be made up to 60% of the points! **Note:** Points will be given only to homework that is fully done with work shown! Chapter test retakes have a maximum score of 80%.

Each student will be given one **hall pass card** per semester. Students must have their **school ID** to use the hall pass for "taking care of business" (i.e. bathroom, water fountain, or locker). Each hall pass card contains 60 minutes of time in blocks of 5. Please limit each trip to 10 minutes. Any time left over from each semester can be turned in for **extra credit** (to be determined). An unexcused missed instruction (UMI) (a.k.a. tardy) will result in the loss of block time. Hall passes are **transferable** for regular use.

Hall Pass Card		TIME BANK - 5-minute BLOCKS

Acknowledgement of CLASSROOM EXPECTATIONS & SYLLABUS ~ Algebra 1

Parent(s) or Guardian(s):

Please take the time to read over the classroom expectations with your son or daughter. Remember that classroom grades are updated on **Infinite Campus** while notes and assignments are located on my website: <http://papachan.weebly.com>. Take advantage of the online resources provided by the textbook publisher! If there are any questions or comments, please do not hesitate to email or call me.

Mr. Chan

We have read and understood the Classroom Expectations and Syllabus for Mr. Chan's class. In order to be successful, these guidelines will be followed. The student will inform the parents on his or her progress throughout the school year. Additionally, if the student falls behind, help will be sought.
