Dear Parents and Guardians:

With this newsletter, I want to welcome the parents and students of the Class of 2018. Reed High School publishes a newsletter four times a year and we hope that you will find it informative. We e-publish the newsletter on our website with a link from Infinite Campus as well as e-mailing it to those parents who provide their e-mail address. If you still choose to read a hard copy, please inform us and we will mail it to your home.

To the parents of seniors, **graduation is scheduled Monday, June 15, 2:00 p.m. at Lawlor Convention Center. Graduation practice, which is mandatory, will be held 12:00-1:30 p.m. (doors open at 11:30 a.m.) on Monday, June 15, at Lawlor Convention Center.** We will be graduating 450 seniors. I am proud to announce that the **Valedictorian of the class of 2015 is Wonha Kim and the Salutatorian is Teriin Lee.** The Reed High School Community is extremely proud of their wonderful academic achievements.

Please know that we will work tirelessly to achieve our mission and goals but that equation will not factor without the support, involvement and commitment of our parents.

Times are financially difficult for many families and very difficult for other families. If your family is already on **Free & Reduced** status, please remember to inform the bookkeeper, Jackie Fleming, of your status. In this way, she can inform you of what fees may be reduced or waived. Fee reduction for Advanced Placement tests may also be reduced or waived if a student is on Free & Reduced status. If your financial status changes over the summer, please contact Reed's bookkeeper, registrar, or cafeteria manager for a Free & Reduced lunch eligibility form or you can go online to WCSD Web page to fill out.

Yearbook distribution will be held on Friday, May 29, for **seniors** during 4th period in the gym. Yearbooks will be distributed for 9th, 10th and 11th grade students at 1:45-2:30 on June 3rd.

This is the highest place for any Nevada school since the competition first started 28 years ago as a celebration of the Constitutional bicentennial in 1987. Fifty-six teams were at the competition which included the state champions plus a handful of special invitations/wildcard teams. They received a \$2500 matching grant check from **Dolan Auto Group**.

Congratulations to freshman **Kiana Sugi** who placed 2nd in the state for Knowledge Test: Human Growth and Development at the **HOSA State Leadership Conference**.

use to communicate the need to understand and advocate against bullying. She, along with all of the Northern Nevada title holders of the amiss Nevada United States organization took a public stand against bullying, which at any age, to go against their peers and take a stand against the norm takes a great amount of courage.

I would be remiss if I did not thank the Booster Presidents for the **NJROTC, Band, and the Quarterback Club**. Needless to say, we could not function effectively without the efforts of these great Booster clubs and their members. Please remember, they are always looking for new members.

Congratulations to the **National Honor Society** for being Northern Nevada Food Bank's Top 12 Volunteer Groups.

Congratulations to the following students for making it to the **Finals** in the **State FBLA** competition in Las Vegas earlier this week: **Wonje Kim** earned the opportunity to travel to **Nationals** in Chicago this Summer by placing 4th in a Cyber Security Challenge. This competition, as well as several others, allow for the top 4 to travel and compete in Nationals. **Samantha Bailey** placed 6th in her Public speaking event earning a 97/100 score. It's worth noting the differential between 1st and 6th place was 1.33 points. Sami did a fabulous job on her speech. **Wonha Kim** and **Sami** teamed up for a Sports Entertainment management event and finished in 9th place.

Congratulations to **Mrs. Peggy Stover and the yearbook staff**. The Reed High School Yearbook has won a Gallery of Excellence award this year for overall excellence. The book was submitted a few months ago when publisher saw the quality of work Mrs. Stover and the students were doing. Only a small percentage of books printed earn this award. Reed's year book will go out across the nation as an example of a fantastic yearbook and be featured at conventions. A plaque and a letter from Mr. Walsworth will be presented to Mrs. Stover and her staff.

I want to personally thank **Scheels**, especially **Jeff Love**, for the donation of 10 oak and glass display cabinets for use by our clubs and athletic department to display awards and trophies. Your support of Scheels would be greatly appreciated.

I also want to thank **Hector Martinez**, manager of **Texas Roadhouse**, 150 Damonte Ranch Pkwy, for displaying our Reed Raiders football jersey along with the jerseys from other area high schools. Please support businesses that support Reed High School.

Summer Reminders

During the summer you will receive information regarding the beginning of the school for the 2015-2016 school year. Summer registration is scheduled for the week of July 27, 28, and 29 from 7:30 a.m.-3:00 p.m. and closed for lunch 11:00-12:30 p.m. Freshmen will attend Raider Orientation Day to pick up their ID's and

schedules on July 26. **School begins on August 10th.**

Book Deposit: the \$20 book deposit is a one time charge that is returned to the students when they graduate as long as there have been no fines or lost books over their four years in high school.

Student Activity Fee: \$25.00

The annual student Activity Fee will enable a student to run for and hold student offices, participate in athletics (athletes are required to purchase an Activity Card), student leadership, etc.

A paid Activity Fee offers the following privileges: free entry to home **athletic events**, reduced rates to all away athletic events, attend **school activities** at a reduced rate, and the right to be nominated and elected to Class and Student Leadership offices.

The purchase of a Student Activity designation on your child's ID card can save a considerable amount of money considering that each athletic contest: football, volleyball, basketball (boys and girls), soccer (boys and girls), wrestling, baseball, softball, track cost **\$6.00** for student admission.

I hope that all of you have a wonderful summer and will consider becoming involved in your student's school by saying YES to becoming a member of one of our **Booster** organizations, and/or **volunteering** to assist in the Copy Center/Mail Room, counseling desk, etc.

ATTENDANCE

The Washoe County School District **attendance policy** states that all students are required to attend school for a minimum of 90% of the scheduled classes in order to receive credit. The emphasis of the attendance policy is on the importance of keeping students in school and providing access to the curriculum.

Fortunately, not all absences count against the 90%. For example, if your child misses school for a medical reason (MED), or doctor excused (EMD), school business (SCH), or a circumstance (CIR), those days are not counted against the 90%. Therefore, at Reed High School, **90% attendance translates to no more than nine (9) unverified absences per semester.**

Absence types that do count against the 90% attendance rule are absent unknown (AUK), domestic (DOM), truant (CT/CLT) parent note/call after 3 days (NCU). If your child does miss school, please make sure you send a note or make a phone call into the attendance office (321-3110) within 3 days of the absence. If you call outside of office hours, please leave a message. Voicemail messages are checked regularly.

On another note, if your student is leaving during school hours for a medical appointment, please notify the attendance office at least an hour in advance of the time your student will be leaving. This will allow time for the attendance office to write and deliver the off-campus pass to your student and you will not have to wait when you arrive to pick-up your student.

Truancy and Driver's Permit/License—New Law

Truancy is a challenge for many of our schools, but a new Nevada law could affect a student's ability to get a driver's permit or license, depending on whether they are attending class. Senate Bill 269 goes into effect on January 1, 2015, and it dictates that persons under the age of 18 who are requesting an instruction permit or

driver's license from the Nevada DMV must present proof that they regularly attend classes in compliance with Nevada school attendance requirements. This will affect students who have been declared truant three or more times in a single school year (habitual truants). School principals or their designees must sign a DMV form stating that the student is attending class regularly before a student can receive a driver's permit or license. Students can submit their completed form (use dark blue or black ink only) to Mrs. Coffman. Please allow for a 24 hour turnaround. The DMV form has been posted on the District website.

A FIT FOR PERFECT ATTENDANCE

At the beginning of this school year, seniors were informed of this district-wide perfect attendance contest. The grand prize is one (1) **2015 Honda Fit** from **Bill Pearce Motors** MSRP valued at \$17,115. The contest is open to all seniors enrolled in an accredited high school in Washoe County, NV, including public, private, and charter schools. Excluded are on-line schools. Seniors must have perfect attendance during the 2014-15 school year. No more than (2) "excused absences" will be allowed. Official school business will count as a day of attendance. To be eligible, the student must also receive a standard, advanced, honors, or adjusted diploma. He or she must not have had any documented disciplinary action, as defined by the school the student attends during his or her senior year. ONE (1) winner will be chosen by random drawing of all eligible students with perfect attendance. All eligible students must be present to win at the grand prize drawing Saturday, June 20th, 2015, at 1 PM at Bill Pearce Honda in Reno, NV.

TARDIES

Punctuality makes for fewer interruptions to learning and is one of the traits employers value most. We work diligently to reward punctuality and discourage tardiness at Reed High School.

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ May / June 2015

There are many students who are rarely or never late. These students can look forward to receiving **H.O.T. Passes** (as long as they don't have unexcused absences), which can be used to get out of a detention or turned in at the end of the year for a chance at raffle prizes. There are those few, however, who are frequently or chronically tardy to school and class, which is disruptive to the teaching and learning environment already taking place.

Please review your child's **attendance** on **Infinite Campus**. Tardies are indicated by UMI (Unexcused Missed Instruction). The vast majority of tardies occur in the morning. If a problem is apparent, please impress upon your child the importance of punctuality and help him or her make a plan for arriving to school and class on time.

For Seniors

It's time for seniors and their families to plan for **graduation**. One of the most important things to keep in mind is that your senior must **complete** all of his or her **classes** in order to earn enough credits to graduate. Additionally, seniors must pass all portions of the HSPE to graduate (the final administration of these exams took place at the end of April).

What can you do to **help your senior**?

- Check **Infinite Campus** to see your child's grade/missing assignments in any class.
- Check **attendance**. Make sure your child is not taking long lunches with friends, leaving early, or missing classes during any part of the day. If he or she is out sick, call the attendance office to excuse the absence(s).
- Check with **teachers**. Send them an email or call the school at 353-5700.
- Check with your **child**. He or she usually knows when things are not going well at school.

2015-2016 Schedules

We are currently in the process of finalizing all of our students' course requests for the 2015-2016 school year. Our counselors have been working to enter course requests into Infinite Campus. Once this process is complete, we will create our master schedule of classes for next year. With our teacher allocations in mind, we will use the courses the students requested to build this schedule. Once the master schedule is completed, student schedules will be created. Your family will receive a ConnectEd phone call once this process is complete, which is typically in July. At that time, your student can log in to Infinite Campus to access his or her schedule.

VOLUNTEER COMMITMENT AND PROCEDURES
READ THE FOLLOWING CAREFULLY BEFORE SIGNING AND DATING THIS APPLICATION

Screening: For the safety of students, all prospective volunteers will be asked to complete an Adult School Volunteer Application and provide a valid photo I.D. (international ID's are accepted). All prospective volunteers will be given a "Background Check" check pursuant to NRS 179D. Additionally, the District, in its discretion and without a statement of reason, may require a complete criminal history check on any volunteer at any time. In programs where a volunteer is an Overnight Chaperone and may work alone for extended periods of time with a student or by request from the principal, fingerprinting and a full state and federal background check are required. If fingerprinting is required, the school district will cover these costs. All fingerprinting must be authorized. The Washoe County School District reserves the right to disallow any individual from serving as a volunteer.

Confidentiality: What you hear and observe about students, families, and staff while volunteering in a school is **confidential**. Repeating a seemingly harmless comment can lead to misunderstandings and hurt feelings. For schools to provide the best environment for learning, everyone's privacy must be respected.

Liability: The Washoe County School District is proud to provide liability coverage and an accident policy for its volunteers, which will provide up to \$1,500 after any other valid and collectable insurance. In order to have this protection, **all volunteers must sign in on the school's volunteer / visitor sign in sheet** (in every school office) every time they volunteer. Volunteers are not covered by Workers' Compensation.

Child neglect and abuse reporting: School volunteers are obligated under mandatory child reporting laws to report any suspected child neglect or abuse. Please refer to Washoe County School District mandatory reporting guidelines.

Supervision: Volunteers perform under the direction and supervision of school personnel. Volunteers should know and follow school policies and rules. The District, in its discretion and without a statement of reasons, may suspend any volunteer from further volunteer activities pending any background check. No statement by the District establishes a property right to perform volunteer work.

Communication: If you are unable to make it to school when you are expected, please call the school and leave a message. Similarly, school staff will contact you if your time is cancelled or changed for any unforeseen reason. You may contact the WCSD Volunteer Services Office at 775-348-0346, or email llightfoot@washoe.k12.nv.us with questions or for assistance.

Student / Volunteer relationships: Volunteers function in a position of trust and Washoe County School District does not extend that volunteer / student trust relationship outside of the supervised school environment. GOVERNOR GUINN MILLENNIUM SCHOLARSHIP

In 1999, the Governor Guinn Millennium Scholarship initiative was enacted into law by the Nevada Legislature, creating the Millennium Scholarship trust fund to be administered by the State Treasurer. The Nevada System of Higher Education (NSHE) Board of Regents adopted policy guidelines for the administration of the scholarship.

The following questions and answers will provide an overview of some basic information you need to successfully receive a Millennium Scholarship. There will be questions that are not answered here, and, for that reason, it is important that you seek assistance from your high school counselors and the admissions and financial aid offices of all colleges you are considering. For more detailed information regarding program requirements, please refer to the Millennium Scholarship Program Policy and Procedures of the NSHE Board of Regents at www.nevadatreasurer.gov

WHAT DO I HAVE TO DO IN HIGH SCHOOL?*

GRADUATING CLASSES OF 2009 & LATER**

As a Nevada high school student, you will become eligible for a Millennium Scholarship when all of the following conditions are met:

1. You must graduate with a diploma from a Nevada public or private high school in the graduating class of the year 2000 or later;
2. You must complete high school with at least a 3.25 grade point average calculated using all high school credit granting courses. The grade point average may be weighted or unweighted;
3. You must pass all areas of the Nevada High School Proficiency Examination;
4. You must have been a resident of Nevada, as defined by the Board of Regents' policy (Title 4, Chapter 18, Section 19), for at least two of your high school years.

In addition to these eligibility requirements, a student who graduates with the class of 2009 or later must have completed the core curriculum as defined in the NSHE Governor Guinn Millennium Scholarship Policies and Procedures of the Board of Regents:

Section 13. Core Curriculum

The Board recognizes the importance of a rigorous high school curriculum in adequately preparing students to succeed in college-level courses. Therefore, a student who graduates from a Nevada high school in Spring 2009 and thereafter must successfully complete the following curriculum in high school to be eligible for the Millennium Scholarship:

High School Courses	Units
English	4
Math (including Algebra II)	4
Natural Science	3
Social Science and History	3

TOTAL 14

*This information is subject to any changes in State law, policies adopted by the NSHE Board of Regents, availability of funding, and any related matters thereto.

**Please contact State Treasurer Kate Marshall's Millennium Scholarship office regarding the eligibility criteria for students who did not graduate from a Nevada public or private high school.

WHAT ARE THE ENROLLMENT REQUIREMENTS OF THE SCHOLARSHIP?

To receive the benefits of the Millennium Scholarship Program, you must enroll in an eligible institution of higher education in Nevada.

It is important to remember that receiving a Millennium Scholarship does not guarantee your admission to all institutions, nor does it guarantee admission to all programs at the eligible institutions of higher education.

You should contact the institutions of your choice and familiarize yourself with their admissions procedures and requirements. It is recommended that students speak to their high school counselors regarding an advanced high school diploma if they plan to attend UNLV or UNR. After your admission to an eligible institution, there are two requirements of enrollment you must meet to receive the benefits of the scholarship:

1. Enroll each semester in a minimum of 6 credits at a NSHE community college or 12 credits at another eligible institution;
2. You must enroll in a program of study leading to a recognized associate degree, baccalaureate degree, or pre-baccalaureate certificate.

HOW IS INITIAL ELIGIBILITY DETERMINED?

Your school district will submit your name to the State Treasurer's office if you are an eligible Millennium Scholar. There is no application form for you to complete.

You will then receive an award packet from the State Treasurer's Governor Guinn Millennium Scholarship office identifying you as a Millennium Scholarship recipient. You must complete your "Acknowledgment of Award" information in order to receive your award. It can be done online at nevadatreasurer.gov. To receive benefits, you must meet the scholarship's enrollment requirements at NSHE or other eligible institutions.

MAINTAINING ELIGIBILITY*

As you successfully progress through your program of study, your Millennium Scholarship will be continued each semester as long as you continue to meet all of the following conditions for maintaining scholarship eligibility at an eligible institution. If you are receiving scholarship benefits at two institutions concurrently, you must meet the eligibility criteria at both.

- (1) You must be making satisfactory academic progress, as defined by the institution, toward a recognized associate degree, baccalaureate degree, or pre-baccalaureate certificate.
- (2) In any term where, at the end of the term, you've accumulated 29 or fewer credits, you must maintain a 2.60 GPA. Beginning with the first semester in which you have completed 30 or more credits counting coursework at all eligible institutions, and every semester thereafter, you must earn at least a 2.75 GPA. GPA is calculated on a "per term" rather than a cumulative basis.

(3) At each institution enrolled, you must satisfactorily complete the minimum number of credits (6 at a NSHE community college or 12 at another eligible institution) in each fall and spring semester in which you are enrolled.

(4) Students are encouraged to volunteer at least 20 hours of community service to the State for each year they receive a Millennium Scholarship.

If you become ineligible for the scholarship, you may regain eligibility if the following conditions are met:

You enroll without Millennium Scholarship support in a subsequent semester and earn at least a 2.60 or 2.75 grade point average for that semester as noted above in "Maintaining Eligibility"

(2)

Complete the minimum number of credits as noted above in "Maintaining Eligibility" (3)

You must be enrolled in a degree program (1)

All Millennium Scholars will be able to regain their scholarship only one time after losing eligibility. If a student loses eligibility a second time, the student will no longer be eligible for Millennium Scholarship funds.

WHAT IS THE DOLLAR VALUE OF THE MILLENNIUM SCHOLARSHIP?

The dollar value of the Millennium Scholarship is determined on a per-credit basis. Millennium Scholars at a NSHE community college will receive \$40 per enrolled lower division credit hour and \$60 per enrolled upper division credit hour. Millennium Scholars at a NSHE state college will receive \$60 per enrolled credit hour. Millennium Scholars at all other eligible institutions will receive \$80 per enrolled credit hour.

Millennium Scholarship funding is limited to a maximum of 12 credits per semester, counting all coursework at all institutions.

For example, a student attending a university who is enrolled in 12 semester credit hours would be eligible to receive a maximum of \$960 ($\80×12 credits). Or, a student attending a community college who is enrolled in 9 semester credit hours would be eligible to receive \$360 ($\40×9 credits), up to a total of 12 credits per term maximum.

In no case may the total of all financial aid and scholarships exceed the cost of attendance at the institution you attend. The Financial Aid Office at your institution can provide you with information regarding the cost of attendance.

The Millennium Scholarship Program will NOT pay for remedial courses. NSHE defines this as any math or English course with a course number less than 100.

ARE THERE ANY LIFETIME LIMITATIONS ON THE MILLENNIUM SCHOLARSHIP?*

Yes, there are two lifetime limitations on the Millennium Scholarship:

1. The maximum lifetime total Millennium Scholarship award you may receive is \$10,000 for undergraduate coursework.

2. You may receive Millennium Scholarship support only during the six academic years following your high school graduation.*

*Recipients of an Adult High School Diploma may receive Millennium Scholarship support for six years following the regularly scheduled graduation date of the student's original high school class.

*This information is subject to any changes in State law, policies adopted by the NSHE Board of Regents, availability of funding, and any related matters thereto. 11/13

ATHLETIC INFORMATION
April 2015

DEAR REED HIGH SCHOOL ATHLETES

THE REED HIGH SCHOOL ATHLETIC DEPARTMENT WOULD LIKE TO WELCOME YOU TO THE 2015-2016 SCHOOL YEAR. THE FOLLOWING INFORMATION IS PROVIDED TO ASSIST YOU IN PREPARING FOR THE FALL SPORTS SEASON:

1. ATHLETIC FORM PACKETS

Student athletes and support group participants are required to complete an Athletic Clearance Packet prior to trying out or participating in any athletic activity. This Athletic Clearance Packet should be turned in at the time of Clearance. **Packets should not be turned into coaches or anyone in the office.** These packets will be available at the Reed High School main office in May 2015 and online on the Reed High School WebSite.

2. INSURANCE

It is a Washoe County School District policy that all athletes **must be covered with medical insurance.** If a family insurance plan is not available, students may sign up for school insurance. Please feel free to pick up a copy of this application and brochure at the main office and carefully read for coverage that is available. This insurance is not affiliated with Reed High School.

3. PHYSICALS

All incoming freshmen are required to have a physical. These forms are included in the Clearance Packet. No other forms will be accepted. Physicals performed by Medical Doctors, Doctors of Osteopathic Medicine, Advances Practitioners of Nursing (APN's) and Physician's Assistants are acceptable. Physicals are only good for two years. If you have any questions relative to this matter, please call Cindy McDaniels, the Athletic Coordinator.

4. SHOES

At some point during the summer, you will need to purchase a pair of shoes specific for the sport you will be playing. We suggest that you break in these shoes well in advance of the first day of fall sports.

5. STUDENT ACTIVITY CARDS

Student athletes and support group participants are required to pay a student activity fee of \$25.00 prior to participating in extracurricular activities. Athletes will be required to pay this yearly fee in order to participate in any sport.

6. TRAINING SUPPLY FEE/IMPACT FEE

In order to keep our athletes in the best physical condition, a \$10.00 training supply fee will be charged at the time of clearance. This money will be used to offset the rising costs of supplies, which so many of our athletes require. The multi-sport athlete will only pay this fee once during the year. We are also instituting a \$10.00 Impact Concussion Management Program fee this year for all sports.

7. TRANSPORTATION FEE

A \$25.00 fee will be assessed at the time of clearance to cover traveling costs.

8. **GOLF FEES**-\$25.000 ACTIVITY FEE; \$10.00 IMPACT FEE; \$10.00 TRAINER FEE; \$25.00 TRANSPORTATION FEE; \$50.00 WCSD ADMINISTRATIVE FEE (defers cost of State Travel and Competition costs).

8. GRADE CHECKS

Grades for Reed High School students will be checked during the clearance process. Fall Sports athletes second semester grades (June 2015) will be used. Students **do not** need to bring their report cards. **Incoming Freshmen will no longer need to present their report cards. A first semester ninth grade student will be eligible for athletic competition and follow all other NIAA eligibility guidelines.**
