Letter from the Principal

Dear Parents and Guardians:

In a recent publication from **Activity**, a publication from ACT, an article addressed Common Standards and Assessments. "Many states (including Nevada) have committed to adopting the **Common Core State Standards**, but numerous questions remain. How should they implement the standards to ensure every high school student graduates ready for college and careers? What will common assessments look like? What does the United States need to do to bring its education system up to the levels of high performing countries?" The Common Core Standards of English Language and Literacy demand that every educator plays a critical role creating highly literate students. The Common Core State Standards for mathematical practice are essential components in developing the mathematical understanding of students.

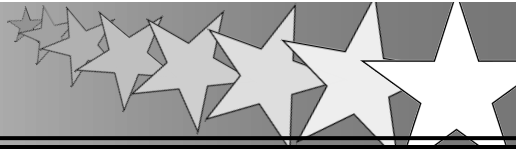

Educators must intentionally provide students opportunities to use the mathematical practices to foster their understanding. Please be assured that the Reed High staff will keep abreast of the most current data of Common Core State Standards which are currently being implemented in English and Math courses; the other core classes will follow suit. "As states raise academic standards and graduation requirements: The link between strong academic preparation in high school and success in college and careers is clearer than it has ever been. Whether high school graduates go directly to college or into the workplace, they need advanced skills if they are going to be successful (Peltzman, Vranek & Bodary, 2007, p.1). The authors continue "The

primary tool for enhancing the value of a high school diploma is a more inclusive curriculum that includes more credits in core academic subjects and more advanced coursework. How does the secondary school curriculum affect students' college readiness and opportunity for success? Descriptive studies and statistical analysis reveal a fairly consistent association between higher level coursework, particularly in mathematics and science."

This is why I encourage you during the months of March to sit down with your child when he/she brings home the Reed High School course selection sheet. Please look it over to determine which classes your child will be enrolled in for the 2014-2015 school year. Due to economic concerns, the **course catalog** is **on-line** on Reed's Web site rather than in a printed version. Please encourage your child to take Advanced Placement and Honors level courses. Most colleges not only look at Grade Point Averages, but also seriously consider **SAT** and **ACT** scores as well as the number of AP and Honors classes on a student's transcript. As you know, the student with the highest GPA (Grade Point Average) will have the value added to **Honors** and **Advanced Placement** classes for the purpose of selecting the Valedictorian and Salutatorian. All Honors courses have a value added of .025 and Advanced Placement classes will have the added value of .05.

These are the major categories that the Reed High School community—teachers, students, and parents will work on over the next few years. The administration and faculty will be working on

strategies to address many of these issues. We will expand our HSPE remediation classes to 10th and 11th grade students as well as 12th grade students. We will continue to offer through A+ and Plato credit **recovery classes** for 9th-12th grade students. We will offer A+ classes in ACT to better prepare our students to prepare for college. We have increased our Advanced Placement course offerings so that more students will have an interest in enrolling in AP classes.

I am delighted to announce the **Co-Valedictorians for the Class of 2014** are Rachel Marshall, Joshua Mooney, and Hannah Tiner and the **Salutatorian** is Collin Palian. The **Top Twenty Students** for the Class of 2014 in rank order are: Rachel Marshall, Joshua Mooney, Hannah Tiner (same rank), Collin Palian, Madison Funk, Cory Berger, Jacquelyn Sertic, Hayden Casey, Zoe Houghton, Nikhil Sidher, Rachel Punzalan, Moriah Maluotoga, Alexander Sanchez, Anna Miller, Damon Gebhardt, Emily Barrie, Kristen Hess, Ashley Edmondo, Isabella Hillerby, Lawrence Gabriel Quimora, Maxwell Poore, and Shalani Taylor.

Graduation is scheduled for Saturday, **June 14th at 7:00 p.m.** at the Lawlor Events Center on the UNR Campus. Graduation rehearsal is scheduled for 5:00 p.m. June 14, immediately proceeding graduation.

First semester **report cards** were given to the students on **February 1**. If you did not receive your student's report card, please call or drop by the school office for a copy. If your student did not pass all of their classes, please remember that we offer A+ and Plato

classes after school for credit recovery and we offer after school tutoring from 2:45-4:15 p.m. in the library on Mondays, Tuesdays, and Thursdays.

Intersession – April 7-11 from 9:00 am-1:00 pm Student will have the opportunity to **recover deficient credits** (either continuing in the Plato or A+ class they are currently enrolled or begin working on a class they failed. It is a great opportunity for all students 9th-12th grade to recover the credit that you will need for graduation. Please call or see your counselor to sign up.

I am pleased to announce that over **218** 10th, 11th, and 12th grade students achieved a grade point average of 3.7 or better and **64** 9th grade students earned a grade point average of 3.7. As successful as many of our students were during the first semesters, there were **90** students (28-9th grade, 30-10th grade, 20-11th grade and 12-12th grade) who received three or more failing grades

I am also happy to report that 83 students (28-9th grade, 21-10th grade, 18-11th grade, and 16-12th grade) had perfect attendance for the first semester. This is a significant achievement and speaks well of the serious attitude these students have toward their education. Many teachers indicated that non-attendance and lack of homework were factors that contributed to these students lack of success. As I said at our Open House in September, "It takes a community to educate a child." As parents, I encourage you to be an active part of your child's educational community. Please log into Infinite Campus to view your student's grades and attendance. If you have any questions, you may

conveniently e-mail their teacher/s or feel to call the school to leave a message.

Congratulations Corner

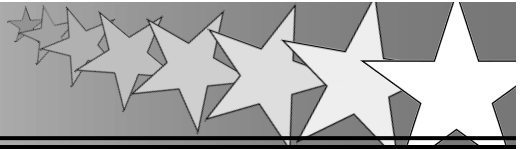

Congratulations to **Cory Berger** who has been selected as a candidate for the **United States Presidential Scholars Program**. The program was established in 1964 by Executive Order of the

President to recognize and honor some of the nation's most distinguished graduation seniors. Scholars are chosen on the basis of their accomplishments in many areas-academic and artistic success, leadership, and involvement in school and community-and represent excellence in education and the promise of greatness in America's youth.

Congratulations to **Cory Berger** and **Anna Miller** have been designated a **Finalists** in the **2014 Competition for National Merit Scholarships**. Cory and Anna were selected as Finalists from the 16,000 Semifinalists named in September and will be considered for the National Merit Scholarships to be offered in 2014.

Congratulations to **Alyssa Inskip** who was awarded the Violet Richardson Award from **Soroptimist International of Truckee Meadows**. Alyssa volunteered over 100 hours and raised over \$50,000 for local charities. Alyssa is currently Miss Lake Tahoe and has previously been Miss Washoe County. She was also recognized by The **2014 Prudential Spirit of Community Awards** by receiving a **Certificate of Excellence** signifies that Alyssa was among the top ten percent of all

applicants from Nevada. Alyssa also received The **President's Volunteer Service Award** which is "Presented by the Corporation for National and Community Service to Alyssa Inskip in recognition and appreciation for your commitment to strengthening our Nation and for making a difference through volunteer service."

Congratulations to "**We The People**" students and teacher **Mark Towell**. "We the People" is a high school government class that provides students with a course of instruction on the historical development of our Constitution, the Bill of Rights, and the basic principles of constitutional democracy. Wow, what a great opportunity for the future leaders of our city, state, and nation. This program was established in 1987 under the Commission on the Bicentennial of the United States Constitution. It is directed by the Center for Civic Education and funded in Nevada largely by the State Bar of Nevada.

Four teams from the North and four from the South qualified for the state competition which was held at the legislature building in Carson City on February 1st. At the state competition this year, Reed's **Unit 2** and **Unit 4** won unit awards for having the highest scoring groups in the state. Overall Reed High School finished

second at the state competition. **The We the People class** consists of **Unit 1:** Chad Gingerich, Damon Gebhardt, Beth Penton. **Unit 2:** Chris Kareck, Rachel Marshall, Shawn Neff. **Unit 3:** Amanda Melfe, Mickey Rosal, Alyssa Sosa. **Unit 4:** Cory Berger, Reid Enochson, Max Poore. **Unit 5:** Isabella Hillerby, Devin Kramar, Collin Palian. **Unit 6:** Chris Cummings, Zoe Houghton, Shalani Taylor.

Some of the questions included:

- What Are the Philosophical and Historical Foundations of the American Political System?
- How Did the Framers Create the Constitution?
- How Has the Constitution Been Changed to Further the Ideals Contained in the Declaration of Independence?
- In the Constitution, why are the powers of and limits on Congress addressed first and in greater detail than those of other branches?
- How have the other branches of government responded to the expansion of presidential power? Do you think they have done so adequately?
- How does federalism limit the powers of both the national government and the states?
- What Rights Does the Bill of Rights

Protect? How and why does modern technology raise new concerns about the Fourth Amendment?

- What Challenges Might Face American Constitutional Democracy in the Twenty-First Century?
- What do you think are the best ways to achieve constitutional change?

A special thank you to all of the parents and former We the People graduates who helped prepare the team for competition.

Dates to remember:

- **Family Engagement Nights:** March 19 and April 23
- **Spring Break** - March 31-April 11.
- **Intersession** - April 7-11
- **Graduation** - Lawler Events Center on Saturday, **June 14** at **7:00 p.m.**

ATTENDANCE

The Washoe County School District attendance policy states that all students are required to attend school for a minimum of 90% of the scheduled classes in order to receive credit. The emphasis of the attendance policy is on the importance of keeping students in school and providing access to the curriculum.

Fortunately, not all absences count against the 90%. For example, if your child misses school for a medical reason (MED), or doctor excused (EMD), school business (SCH), or a circumstance (CIR), those days are not counted against the 90%. Therefore, at Reed High School, 90% attendance translates to no more than nine (9) unverified absences per semester.

Absence types that do count against the 90% attendance rule are absent unknown (AUK), domestic (DOM), truant (CT) **and a new code, parent note/call after 3 days (NCU)**. If your child does miss school, please make sure you send a note or make a phone call into the attendance office (321-3110) **within 3 days of the absence**. If you call outside of office hours, please leave a message. Voicemail messages are checked regularly.

TARDIES

Punctuality makes for fewer interruptions to learning and is one of the traits employers value most. We work diligently to reward punctuality and discourage tardiness at Reed High School.

There are many students who are rarely or never late. These students can look forward to receiving H.O.T. Passes (as long as they don't have unexcused absences), which can be used to get out of a detention or turned in at the end of the year for a chance at raffle prizes. There are those few, however, who are frequently or chronically tardy to school and class, which is disruptive to the teaching and learning environment already taking place.

Please review your child's attendance on Infinite Campus. Tardies are indicated by UMI (Unexcused Missed Instruction). The vast majority of tardies occur in the morning. If a problem is apparent, please impress upon your child the importance of punctuality and help him or her make a plan for arriving to school and class on time.

A FIT FOR PERFECT ATTENDANCE

At the beginning of this school year, seniors were informed of this district-wide perfect attendance **contest**. The grand prize is

one (1) **2014 Honda Fit** from Bill Pearce Motors MSRP valued at **\$18,220**. The contest is open to all seniors enrolled in an accredited high school in Washoe County, NV, including public, private, and charter schools. Excluded are on-line schools. Seniors must have perfect attendance during the 2013-14 school year. No more than (2) "excused absences" will be allowed. Official school business will count as a day of attendance. To be eligible, the student must also receive a standard, advanced, honors, or adjusted diploma. He or she must not have had any documented disciplinary action, as defined by the school the student attends during his or her senior year. ONE (1) winner will be chosen by random drawing of all eligible students with perfect attendance. All eligible students must be present to win at the grand prize drawing Saturday, June 21st, 2014, at 1 PM at Bill Pearce Honda in Reno, NV.

ADVANCED PLACEMENT

Our AP Information Night was held February 12th. If you were unable to attend, please check the AP section of our school website for the information provided that night.

ATHLETICS

As the air turns cooler and the days get shorter, **Fall** sports is in full swing at Reed. We have survived the smoke with only a couple of games cancelled (and many more practices) and are pushing forward towards the playoff season.

What an amazing few months it has been for Reed Athletics. Coming off of our Fall sports seasons we jumped right into the **Winter** campaign and it was very successful.

While we have enjoyed a very warm period of weather, it has not dampened the focus of our **Ski team**. As of this publishing, the season had only seen one event take place with several lined up for the last part of February in hopes that the white stuff would start coming down. As is normally the case, we'll probably get a pretty good winter blast right before our first spring events.

In **basketball**, both of our programs made a run to the playoffs with our girls finishing second in the High Desert League and our boys securing their first league title since 2005 en route to a 14-2 regular season league record. All-league

selections remain sealed as of the time of this printing, but rest assured both programs are represented very well.

For our **wrestling** program, breaking in a new coach worked out very well. A third place team finish in the High Desert League, and three state qualifiers in Israel Casarez, Jake Otuafi, and Calvin Cox.

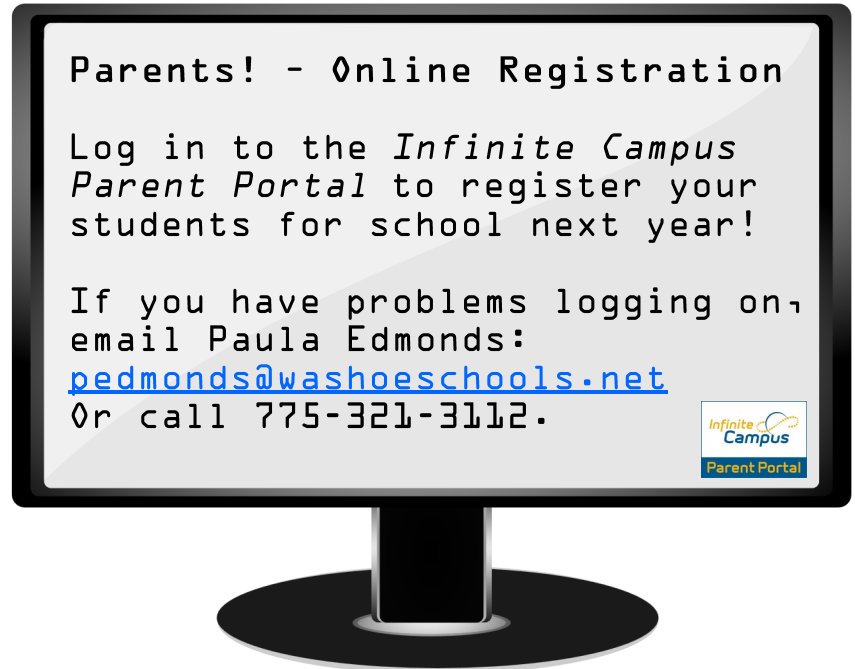

Our focus now turns to **Spring**. We are looking for big things from our Spring athletes, particularly against Spanish Springs who now leads us by three points in the Mayor's Cup race. All Spring sports will begin on March 1st with tryouts and take us through Memorial Day weekend.

Turning our attention to the future, we need your help. We are currently working with the district to secure funding for a complete **re-building of our football/soccer field**. This will include a new drainage system, irrigation work, a re-crowning of the field, and most importantly of all 62,000 square feet of new sod. As we move forward, we are asking for any help or donation you can contribute. Through the savings of the Athletic Department (\$15,000), our cell tower money (\$15,000-

thank you Mrs. Vesco) and a generous contribution in the form of a grant from E.L. Cord (\$40,000) we are well on our way to reaching our goal and improving our playing facility. In the future, we will continue to work to improve facilities such as our basketball court in the large gym and our practice facilities outside. Right now, however, we are as close as we have ever been to building a field we can be proud of. Please do not hesitate to contact me at 321-3105 if you can provide any assistance.

In closing, we would also like to recognize **Gabby Williams** and her outstanding career here at Reed. Gabby became the first Reed athlete to be named to the prestigious McDonald's All-American team. She is also a finalist for the Gatorade Player of the Year and will continue her career at the University of Connecticut next fall. Thank you Gabby, and good luck in your very bright future.

Please continue to check www.nnd1.org for all Reed scheduled events. **Thank you** to all of our **parents** and **parent volunteers** for making Reed Athletics the envy of the state.

National Honor Society News

It will soon be time to induct our newest members. The **induction ceremony** will be on May 28th in the cafeteria for everyone who has completed all 15 hours of community service. Seniors may pre-order their graduation sashes for \$24 before Spring Break. Shipping is free if we order early. Ladies will be wearing blue and gentlemen will be wearing yellow.

2014 Scholastic Art Awards

The Alliance for Young Artists & Writers celebrates the creative achievement of America's teens with the **Scholastic Art and Writing Awards**. The Awards were founded in 1923 to offer recognition and scholarships for students for their artistic talents. Awards are based on creativity, concept and technical skill. Students may be awarded a Gold key, Silver keys or an Honorable Mention. The Gold Keys are the highest level of achievement. Silver Keys are awarded for works worthy of recognition on the regional level. An Honorable mention recognizes students with artistic potential and is encouraged to continue to develop their skills and concepts. The program has honored some of our nation's most celebrated artists including Truman Capote, Sylvia Plath, Michael Sarich, Cindy Sherman, Robert Redford and Andy Warhol.

Reed High School students compete against all other Northern Nevada middle and high schools. This year there were over 1300 entries with 430 awards. Reed High School students received a total of 8 awards for outstanding visual art pieces.

The following students received awards: **Alexandra Messer** - 1 Honorable Mention in Drawing, **Hanna Kaplan** - 1 Honorable Mention and 1 Silver Key in photography, **Mikaela Nelson** - 1 Honorable mention and 3 Silver keys in painting, and **Taylor Thebodeau**- 1 Silver Key in drawing.

The award winners will have an **exhibition** of their work at the **Holland Project** from Friday, **March 7 – April 11 2014**. The Holland Project is located at 140 Vesta Street, Reno, Nevada. Gold key winners will have their work exhibited and Silver key and Honorable Mentions will have their work displayed by a digital slide presentation.

Congratulations to all of our outstanding young artists!

Student Loans: Avoiding Deceptive Offers

A joint publication of the Federal Trade Commission and the U.S. Department of Education

An education beyond high school is an investment in your future. It can be expensive and often requires you or your family to take out loans to help pay for it.

Student loans fall into two categories, *federal loans* and *private loans*.

Federal loans, which are subject to oversight and regulation by the federal government, include:

— Direct Loans, where the U.S. Department of Education is the lender;

— Federal Family Education Loans (FFEL), where private lenders make loans backed by the federal government; and

— Federal Perkins Loans.

Private loans, sometimes referenced as “alternative loans,” are offered by private lenders and do not include the benefits and protections available with federal loans.

Whether you're taking out a new student loan or consolidating existing education loans, the Federal Trade Commission (FTC), the nation's consumer protection agency, and the U.S. Department of Education (ED), the agency that oversees federal student loans, want you to know how to spot potentially deceptive claims or business practices some private companies may use to get your loan business.

Private Loans

Private companies may offer you loans and other forms of financial assistance for your education. They often use direct mail marketing, telemarketing, television, radio, and online advertising to promote their products.

(Continued on page 2)

Paying for your education is a serious long-term financial obligation; that's why comparing the costs of different ways of financing your education is so important. Private loans tend to have higher fees and interest rates than federal government loans. Private loans also do not offer the opportunities for cancellation or loan forgiveness that are available on many federal loan programs. So it makes good financial sense to exhaust your federal loan options (as well as grants and scholarships) before considering loans from any private companies. To learn more about federal government loans, visit www.FederalStudentAid.ed.gov.

How to Spot Deceptive Private Student Loan Practices

If you are considering a private student loan, it's important to know whom you're doing business with and the terms of the loan. The FTC and ED offer these tips to help you recognize questionable claims and practices related to private student loans.

- Some private lenders and their marketers use names, seals, logos, or other representations similar to those of government agencies to create the false or misleading impression that they are part of or affiliated with the federal government and its student loan programs.
- ED does not send advertisements or mailers, or otherwise solicit consumers to borrow money. If you receive a student loan solicitation, it is not from ED.
- Don't let promotions or incentives like gift cards, credit cards, and sweepstakes prizes divert you from assessing whether the key terms of the loan are reasonable.
- Don't give out personal information on the phone, through the mail, or over the Internet unless you know with whom you are dealing. Private student lenders typically ask for your student account number — often your Social Security number (SSN) or Personal Identification Number (PIN) — saying they need it to help determine your eligibility. However, because scam artists who purport to be private student lenders can misuse this information, it is critical to provide it or other personal information only if you have confidence in the private student lender with whom you are dealing.
- Check out the track record of particular private student lenders with your state Attorney General (www.naag.org), your local consumer protection agency (www.consumeraction.gov), and the Better Business Bureau (www.bbb.org).

Featured Fact: Scholarships

Scholarships are available all year long but it is up to students to know the application deadlines and keep track of them. Here are some tips for finding scholarship applications and information:

- **Visit the Reed High School Scholarship Website.** Reed's scholarship committee has made it easy for you to find and access scholarships online. Visit: <https://sites.google.com/site/reedhighscholarshipinfo/> regularly to see what is available.
- **Use an Online Scholarship Database/Search Tool:**
<http://www.fastweb.com/>
<https://bigfuture.collegeboard.org/scholarship-search>
<http://www.scholarships.com/>

Beware of Scholarship Scams!

There are many people out there trying to take advantage of students and parents looking for scholarships. Beware of the following:

- Scholarship search sites/organization guarantees—only the organization/person awarding the money can make guarantees.
- Required payments—scholarship organizations are in the business of giving money away; they shouldn't be asking you for it.
- Required bank/credit card information—there is no reason a legitimate organization would need this information.
- Vague instructions/responses from organization—a legitimate organization should be upfront about whatever you want to know.

Featured Fact: Official Transcripts

Throughout the college and scholarship application process you will be asked to submit official transcripts. Transcripts can be sent electronically through a program called Parchment through <http://exchange.parchment.com/>. Visit the website then click on "Students" near the upper right-hand corner. Complete the required registration steps listed. Be sure to select the options that apply to you.

VOLUNTEER COMMITMENT AND PROCEDURES
READ THE FOLLOWING CAREFULLY BEFORE SIGNING AND DATING THIS APPLICATION

Screening: For the safety of students, all prospective volunteers will be asked to complete an Adult School Volunteer Application and provide a photo I.D. (international ID's are accepted). All prospective volunteers will be given a "Background Check" check pursuant to NRS 179D. Additionally, the District, in its discretion and without a statement of reason, may require a complete criminal history check on any volunteer at any time. In programs where a volunteer is an Overnight Chaperone and may work alone for extended periods of time with a student or by request from the principal, fingerprinting and a full state and federal background check are required. If fingerprinting is required, the school district will cover these costs. All fingerprinting must be authorized.

Confidentiality: What you hear and observe about students, families, and staff while volunteering in a school is **confidential**. Repeating a seemingly harmless comment can lead to misunderstandings and hurt feelings. For schools to provide the best environment for learning, everyone's privacy must be respected.

Liability: The Washoe County School District is proud to provide liability coverage and an accident policy for its volunteers, which will provide up to \$1,500 after any other valid and collectable insurance. In order to have this protection, **all volunteers must sign in on the school's volunteer / visitor sign in sheet** (in every school office) every time they volunteer. Volunteers are not covered by Workers' Compensation.

Child neglect and abuse reporting: School volunteers are obligated under mandatory child reporting laws to report any suspected child neglect or abuse. Please refer to Washoe County School District mandatory reporting guidelines.

Supervision: Volunteers perform under the direction and supervision of school personnel. Volunteers should know and follow school policies and rules. The District, in its discretion and without a statement of reasons, may suspend any volunteer from further volunteer activities pending any background check. No statement by the District establishes a property right to perform volunteer work.

Communication: If you are unable to make it to school when you are expected, please call the school and leave a message. Similarly, school staff will contact you if your time is cancelled or changed for any unforeseen reason. You may contact the WCSD Volunteer Services Office at 775-851-5655, or email llightfoot@washoe.k12.nv.us with questions or for assistance.

Student / Volunteer relationships: Volunteers function in a position of trust and Washoe County School District does not extend that volunteer / student trust relationship outside of the supervised school environment. It is the responsibility of the volunteer to notify the site administrator immediately if he/she becomes involved with a student / family outside the WCSD environment.

I affirm that I have read and understand all the information on this Adult School Volunteer Application and that all the information I have provided in this application is true and complete to the best of my knowledge. I understand that WCSD reserves the right to verify all information on this application form and that any false statements or failures to disclose information may be sufficient to disqualify me as a volunteer. I hereby authorize Washoe County School District to obtain information relating to my current and / or previous employment, education, and personal history records.

Reed High School

Safe N Sober Grad Night Donation Request

Dear Friend of Reed High School,

The Reed High School Safe n Sober Grad Night Committee 2014 seeks your support for the 2014 graduation celebration at Reed High School. Our graduation is set for Saturday June 14, 2014.

Since Safe n Sober was founded in 1996, no fatal accidents involving seniors have been reported in Washoe County on graduation night. Graduates spend the night at the High School in a safe drug and alcohol free environment. Food, entertainment, and raffles provide non-stop fun for the night. Safe n Sober Grad night is planned and carried out entirely by parent volunteers and financed by donations from local businesses and ticket sales. Grad Night is an expensive undertaking, costing upwards of \$15,000.00, so community support is vital to the success of this tradition.

The Reed high School Safe n Sober Committee would appreciate your generosity in supporting the 2014 Grad Night by donating raffle prizes, gift certificates, food, party supplies and/or making monetary donations. Please consider donating to this worthwhile event and help keep our grads safe.

Thank you kindly,

Please make your tax-deductible donation check payable to Reed High School Safe n Sober Grad Night, our tax- exempt ID is 88-6000919. Please mail your donations to:
