Letter from the Principal

Dear Parents and Guardians:

With this newsletter, I want to welcome the parents and students of the Class of 2017. Reed High School publishes a newsletter four times a year and we hope that you will find it informative. In the 2013-14 school year, we will e-publish the newsletter on our web-site with a link from Infinite Campus and as well as e-mailing it to all parents who provide their e-mail address. If you still choose to read a hard copy, please inform us and we will continue to mail it to your home.

To the parents of seniors, **Graduation** is scheduled **Thursday, June 6, at 12:00 noon at Lawlor Events Center. Graduation practice, which is mandatory, will be held at 10:00-11:30 a.m. (doors open at 9:30 a.m.) on Thursday, June 6, at Lawlor Events Center.** Since the time is so short between practice and graduation, Reed High School will serve a light lunch for our graduates at Lawlor. We will be graduating **458 seniors**. I am proud to announce that the **co-Valedictorians for the class of 2013 are Eduardo Martinez Medina and Matthew Smith** and the **Salutatorian is Cody Foreman.** The Reed High School Community is extremely proud of their wonderful academic achievements. Please refer to Reed High School's website under graduation link for more information.

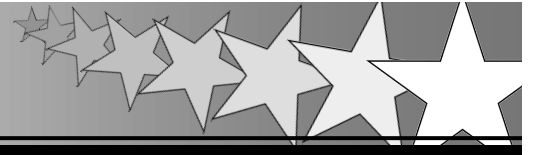

One of the responsibilities of a high school is to continue to examine and re-examine our policies and procedures. When the Reed High School faculty and administration saw our state Report Card where we received a rating of 3 Stars out of 5 Stars, we were needless to say disappointed. Our dedicated staff spent a number of Professional Learning Community sessions (PLC

released times on Wednesdays) discussing strategies to improve our rating. We examine the Report Card to see where we needed to improve our rating but more importantly, to offer your child the best education possible.

We examined the Points Earned verses the Points Possible. Areas of concern focused on

1. **Graduation Rate** – Reed HS scored 77% - we earned 15 out of 18 points which is -3 points
2. **Credit Attainment** – % of 9th & 10th graders with Sufficient Credits to be on Track to Graduation/Reed scored 86% -we earned 5 out of 8 points which is -3
3. **% completing 1 or more AP/IB/Dual Credit Courses by Graduation** – Reed HS scored 46% -we earned 2 out of 5 points which is -3
4. **% of graduates passing at least one AP/IB Exam by graduation** – Reed HS scored 19% -we earned 2 out of 5 points which is -3
5. **% of graduates earning an Advanced Diploma (minimum of 24 credits, 3.25 GPA, 4 years of math with Algebra 2 + one or more higher level math classes, 3 years of science with two or more from biology, chemistry, and/or physics) or Honors Diploma (minimum of 24 credits, 20 required credits plus 4 elective classes including at least eight honor level classes, passed all sections of the HSPE, 3.40 GPA, 4 years English and Math, 3 years Science, 3 years Social Studies, 2 credits of PE, 1 credit of Arts/Hum, 1 credit Computer Literacy, ½ credit of Health, 2 credits of World Language and 4 elective credits)** – Reed HS scored 38% -

we earned 6 out of 10 points which is -4

Other areas where we lost points were

1. **% Agreement on student engagement items on Student Climate Survey**, Reed HS scored 49% -we earned 3 out of 5 points which is -2
2. **% of students with a (non-employee) parent logging into Infinite Campus on their behalf**, Reed HS scored 50%-we earned 3 out of 5 points which is -2

We examined the scores of the other high schools in Washoe County to determine what changes may be needed to assist us in raising our Report Card scores but more importantly help Reed HS to prepare our students to be College and Career ready. One suggestion was to move to a seven period day which would give our students more opportunities to take Advanced Placement and Honor classes, elective classes, intervention classes such as Plato and A+, Advanced Placement study sessions, and remediation for core classes which must be passed for graduation.

The faculty and administration took over four weeks to discuss the advantages of a **seven period day**, retaining our current block schedule which is essentially six periods plus Access class which is 40 minutes long but does not constitute a ½ credit class. (Access/Enrichment class was mandated approximately 10 years ago as a means to offer a "transition period for our 9th graders entering high school life.") Brandon

Bringhurst, Assistant Principal, and Sara Jones, English teacher and WEA representative, oversaw the voting process which included 1. Do we retain our current block schedule which included 6-period plus Access period or 2. Do we transition to a 7-period day? It was voted to transition to a 7-period day. Next, the faculty was asked to vote on 1. Do we transition to a traditional 7 period day which is currently used by Reno HS and will be used at McQueen High School in 2013-14 or 2. Do we continue with our current schedule and increase Access to 49 minutes therefore having four classes per day on a rotating ABC schedule and Access meeting daily. The faculty and administration vote favored a traditional seven (7) period day.

I asked the faculty to provide me with some quotes as to why this change "is the best educational setting for the students." Here are some of their comments: more choices for students, more opportunities for us to align schedules with individual needs, room in their schedules for electives, more transitions are more in line with teenage attention span, teachers get to see every student every day, classes go in the same order every day; less confusion, while the class periods will be shorter, I believe being able to see my students every day is really going to make an impact on retention of material, tests given to common classes will always be the same day, so I will not have one class that has to take the exam on one day and the other class gets an extra day to study.

The Administrative Team feels that a 7 credit schedule addressed the

1. Issue of Reed students lagging behind in AP classes and % of students being successful on AP tests and 2. The need to grow our graduation rate. We feel a 7 credit schedule addresses these issues in a variety of ways: AP Courses-should students choose to do so, they will be able to take more AP classes. Reed HS added AP Psychology and AP Micro and Macro Economics in the 2012-13 school year and have added AP Art History, AP Theory of Music, AP Spanish Lit, AP Spanish Language, AP English Language, AP English Lit and AP Human Geography for the 2013-14 school year. We plan to offer "AP Support" classes for students who may need extra support in order to be more successful on the test; more students will be able to graduate with honors and advanced diplomas as a result of extra opportunities. With 7 credits students may be able to participate in a wider range of electives such as choir, art, band, NJROTC, and foods still having time in their schedule for honors and AP courses and other graduation requirements. Interventions and credit recovery will assist in growing our graduation rate. With the additional credits we will be able to get students into needed interventions (extra Math, English, Science, and Social Studies) without jeopardizing their ability to earn needed graduation credits.

The **schedule** is as follows

1 st Period-	7:45-8:36
2 nd Period-	8:41-9:30
3 rd Period-	9:35-10:24
4 th Period-	10:29-11:18
LUNCH	11:18-11:58
5 th Period-	11:58-12:47
6 th Period-	12:52-1:42
7 th Period-	1:46-2:35

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ May / June 2013

You will note that lunch continues to be 40 minutes long; that is the reason school must begin at 7:45 a.m. and school ends at 2:35 p.m.

We have included in this newsletter a copy of the 2013-2014 school calendar. Please note that school begins on Monday, August 12, and ends on June 13. **Fall Break** runs from October 14-18, **Winter Break** runs from December 23 to January 10, **Spring Break** runs from March 31- April 11. The first semester ends on December 19.

As we approach the upcoming school year, I wanted to share with our parents Reed High School's Mission and Belief statements adapted as part of our Northwest Association of Accredited Schools as part of our six year accreditation process.

Mission Statement It is the mission of Reed High School to provide educational opportunities that encourage each student to develop personal responsibility and to empower them to be responsible, respectful, and successful.

Belief Statements

1. We believe each student is a valued individual with unique physical, social, emotional, and intellectual needs.
2. We believe in an atmosphere that establishes acceptance, understanding, and respect.
3. We believe that it is important to provide a well-balanced schedule of core (Math, Science, and English & Social Studies) and elective classes as well as extra-curricular activities that will challenge and fulfill the needs of all students.

4. We believe in a safe, positive school environment that values hard work, celebrates success, and encourages personal growth.
5. We believe the students, staff, parents, and community share the responsibility of developing students who are prepared to enter the real world as respectful, productive, and responsible citizens.

In alignment with **Envision WCSO 2015** - Investing In Our Future, Reed High School's **School Improvement Plan** includes:

- Goal 1 All Students Will Graduate
- Goal 2 Advance Placement - increase enrollment & participation
- Goal 3 Increase Freshmen Academic Success

Please know that we will work tirelessly to achieve our mission and goals but that equation will not factor without the support, involvement and commitment of our parents. In the 2013-2014 school year we will be undertaking a new accreditation process called **AdvancED** which is replacing the Northwest Association of Accredited Schools. Since we are a school community, our accreditation team will be seeking volunteers for our committees and your valuable input.

Times are financially difficult for many families and very difficult for other families. If your family is already on **Free & Reduced** status, please remember to inform the bookkeeper, Jackie Fleming, of your status. In this way, she can inform you of what fees may be reduced or waived. Fee reduction for Advanced Placement

tests may also be reduced or waived if a student is on Free & Reduced status. If your financial status changes over the summer, please contact Reed's bookkeeper, registrar, or the cafeteria manager for a Free & Reduced lunch eligibility form.

Yearbook distribution for seniors will be held on Thursday, May 23 from 2:30-3:30 p.m. in the cafeteria. The general yearbook distribution for underclass students will be held Wednesday, May 29, from 1:45-2:30 p.m. in the cafeteria.

As you know, we had a death in the Reed HS family, **Kelly Harris**, a very popular English teacher. I want to thank the Counseling staff, fellow administrators, faculty, staff and students for all of their support of one another during a difficult time for our school community. I especially want to thank **Tyler Roukie** for organizing a memorial service for students and staff the day of the death and **Chris Lansford** and **Kody Fauerbach** for designing a memorial plaque in their Metalworking class for both Mr. Harris' family as well as for the Reed HS courtyard.

Congratulations Corner

As we are closing our 2012-2013 School year, I want to thank the **Student Body Officers: President - Ellen Wilson, Vice President - Nick Topoian, Secretary - Marisa Stirgus, Treasurer - Yoey Mireles and Historian - Cesar Calix.** You did a great job this year!!!

I would also like to thank the **Senior Class Officers: President - Adriana**

Newell, Vice President - Celeste Tinajero, Historian - Kristen Neufeld, Secretary - Taylor Whitehead, Treasurer - Katelyn Singer, and Representative - Makinzi Newlin. We look forward to your presentations at graduation.

Congratulations to **Christopher Cummings** and **Anne Mueller** who participated in the **Sparks Rotary Speech Contest**. Chris placed first and Anne placed second. Chris moves on to the District 5190 contest.

Congratulations to **Lynn Mentzer** (teacher), who received the **2013 National High School Spirit of Sports Award** presented by the National Federation of State High School Associations.

Congratulations to **Jillian McMullen** who was selected to attend the **Junior Science and Humanities Symposium** at UC Berkeley. Jillian had the great opportunity to hear cutting edge research being conducted by other high level science students in the West and network with professionals in the science community. **Jillian** is also attending the **HOBY-Hugh O'Brien Youth Leadership Conference** this summer.

Congratulations to **Nasya Mancini**, sophomore, who was selected as the **2013 Miss Sparks Outstanding Teen**.

Congratulations to **Ashley Perez**, ninth grade, who was selected to participate at the **U.S. Olympic Boxing Training Center** in Colorado Springs, Colorado.

Congratulations to the following students who attended the **American Indian/Alaska Native Leadership**

Summit at UNR: Miranda Brown, Nicholas Cortez, Andrew Cortez, Analyssa Garcia, Jay Guerrero, Louis Henry, Alyssa Johnson, Elijah Lopez, Eric Marrietta, David McFalls, Harley Sampson, Jesse Valdes, and Elaine Wilt.

Congratulations to the following freshmen and sophomores who attended the **Hispanic Youth Leadership Summit** at UNR: Norma Araiza, Katie Camacho Madera, Julio Chinchilla, David Ferreira, Marco Flores, Irene Garcia, Xochitl Hernandez, Lizbeth Mejia, Lizette Majia, Viviana Mendoza, April Navarro, Adrianna Ortega, Emanuel Pulido, Carla Sarabia, and Esmeralda Torres.

Congratulations to **Malory Engstrom**, the **cast** and **crew** of **Les Miserables**. It was a fantastic production with sold out houses every night.

Congratulations to Melinda Jensen's **Community Living Skills** class for receiving the **President's Volunteer Service Award**. Reed High School's CLS program as well as 8 other high schools' CLS and Career Exploration and Training programs received this honor. All eight programs have served over 900 hours of volunteer work for the Washoe County Library system this school year.

Congratulations to **Erin Howley**, Physical Education teacher, who was nominated and selected as the **2013 "Bringing Respect and Honor to Victims" Outstanding Community Member and winner of the "Helping Hands" Award!** Each year the *Alliance for Victims' Rights* honors community members who are making a

difference in the lives of victims of crime.

I would be remiss if I did not thank the **Booster Presidents** for the **NJROTC**, various **Athletic Teams**, **Drama**, and the **Band**. Needless to say, we could not function effectively without the efforts of these great Booster clubs and their members. Please remember, they are always looking for new members.

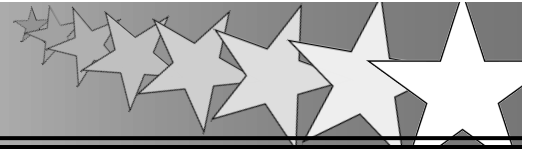

Summer Reminders

During the summer you will receive information regarding the beginning of the school for the 2013-2014 school year. We will be open the week of July 29, 30, 31 and August 2 for you to pick up your ID, pay any fees or purchase uniforms. If your student needs to print off their schedule we will have our computer room open for your convenience. School begins on August 12.

Book Deposit: the \$20 book deposit is a one time charge that is returned to the students when they graduate as long as there have been no fines or lost books over their four years in high school.

Student Activity Fee: \$25.00 The annual Student Activity Fee will enable a student to run for and hold student offices, participate in athletics, student leadership, etc. A paid Activity Fee offers the following privileges: free entry to home athletic events, reduced rates to all away athletic events, attend school activities at a reduced rate, and the right to be nominated and elected to Class and Student Leadership offices. The purchase of a Student Activity designation on your child's ID card can save a considerable amount

of money considering that each athletic contest: football, volleyball, basketball (boys and girls), soccer (boys and girls), wrestling, baseball, softball, track cost **\$4.00** for student admission.

I hope that all of you have a wonderful summer and will consider becoming involved in your student's school by saying YES to becoming a member of one of our Booster organizations or a member of Reed's Site Council, an advisory committee to the principal, and/or volunteering to assist in the Copy Center / Mail Room, counseling desk, etc.

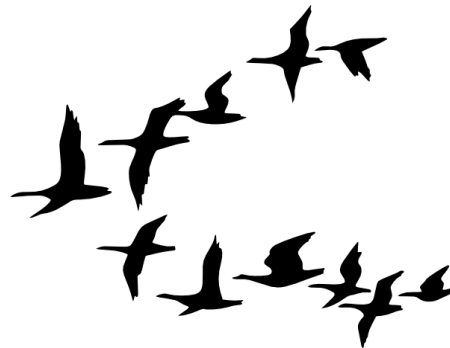

I look forward to meeting all of our students and parents new to Edward C. Reed High School and welcoming back all of the returning students and parents. As always, please feel free to stop by or call me with any recommendations and/or concerns. RHS's COMMUNITY GARDEN

On April 6th, students, staff, and community volunteers began the transformation of a dead garden bed into the first stage of our community educational garden.

Volunteers removed weed block, broke up compacted soil, added nutrients and planted a variety of early season crops. As the garden expands, it will include a garden of herbs that will be used in culinary classes, student designed theme gardens, and eventually a variety of raised bed gardens. These gardens will provide an educational site for nutrition and health classes, science exploration, inspiration for art and writing and hands-on learning for all students.

If you would like to become more involved with Reed's garden we could use donations of garden supplies, seeds, equipment as well as volunteers to help with watering, weeding and general upkeep. This is a great way to make a deep, lasting connection with your community's food and support opportunities for hands on

learning experiences. At the end of April we will have a garden dedication ceremony and ribbon cutting. There will also be a variety of volunteer workdays that will be advertised on the school website. If you are interested in joining our email list, please email Kelly Coleman: kcoleman@washoeschools.net or Leigh Metcalfe: lmecalf@washoeschools.net

ATTENDANCE

The Washoe County School District attendance policy states that all students are required to attend school for a minimum of 90% of the scheduled classes in order to receive credit. The policy applies even if the student is passing their classes academically. **In other words, it is possible to pass a class academically and still fail the course due to lack of attendance.**

Fortunately, not all of the absences count against students. For instance, if your child misses school for a medical reason (MED), a doctor excused day (EMD), a school business day (SCH), or a circumstantial day (CIR) then those days are not counted into the total. Therefore, at Reed High School, 90% attendance translates to (6) unverified absences per semester.

The absence types that do count toward the six unverified are absent unknown (AUK), domestic (DOM), truant (TRU) and confirmed truant (CT). If your child has accumulated seven or more absences in any combination of these absence types, please contact the attendance office as soon as possible. Also, if your child does miss school, please make sure you send a note or make a phone call into the attendance office (325-8337) within three days of the absence.

TARDIES

Punctuality makes for fewer interruptions to learning and is one of the traits employers value most. We have worked diligently to reward punctuality and discourage tardiness this year at Reed High School.

There are many students who are rarely or never late. These students can look forward to receiving H.O.T. Passes (as long as they don't have unexcused absences), which can be used to

get out of detention or turned in at the end of the year for a chance at raffle prizes. There are those few, however, who are frequently or chronically tardy to school and class, which can be disruptive to the teaching and learning environment already taking place.

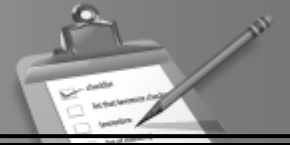

We encourage you to review your child's attendance on Infinite Campus. Tardies are indicated by UMI (Unexcused Missed Instruction). The vast majority of tardies occur in the morning. If a problem is apparent, please impress upon your child the importance of punctuality and help him or her make a plan for arriving to school and class on time.

Furthermore, please look over your son or daughter's attendance portion of the **Grade Monitoring Sheet** that is assigned to be brought home and signed by you every fourth week of school. Please look for the **Grade Monitoring Sheets** on the following dates this semester 5/20/13.

In the 2012-2013 school year Reed High School led the way as the first high school in WCSD to institute uniforms. Overall we have been very pleased with the results. We have fewer distractions and a greater focus on academic success while also contributing to improved student safety. However, as with any new initiative, the first year has presented some unexpected challenges. As this school year comes to a close, we are in the process of evaluating our school uniforms and making the needed adjustments for the next school year.

School staff and students will be involved in this process. We would also appreciate your input. Please complete the questionnaire below and have your student return it to the front office. If you would prefer, you can email me directly with your input. My email address is bbringhurst@washoeschools.net. ATHLETICS

It is hard to imagine that another year is almost in the books and that we will soon begin preparing for the 2013-14 school and sports year. This past year has been filled with outstanding accomplishments throughout all of our sports. We are very fortunate to have the type of student-athletes we have here at Reed and we would like to recognize all of the accomplishments of those dedicated individuals over the past year.

As is always the case, the Spring season results are still about a month away at the time this issue goes to press. We are eagerly anticipating an outstanding showing by all of our Spring athletes. Both the **Baseball** and **Softball** teams are off to great starts and look to qualify for the Regional tournament.

Our **Swim** team is also having a wonderful season as both the boys and girls keep racking up points. In **Boys Golf**, Reed is on the cusp of overtaking league powers Spanish Springs and Reno. As usual, our **Track and Field** team is flying high and should be sending a large number of athletes to the Regional and State competitions.

As always, we are very proud of our student-athletes and we take that label seriously. I am proud to announce that of our Top 20 Graduating Seniors, 14 of them are student-athletes; this includes our co-Valedictorian and our Salutatorian. As an Athletic Department, we couldn't be more proud of this accomplishment. Reed will receive national recognition from the National Federation of High Schools in their next publication for this accomplishment.

In other news we are happy to announce that **Spencer Empey** has been recognized as an **NIAA Top Ten Athlete for this year**. Spencer along with the other award recipients will be recognized at the NIAA's annual dinner for his accomplishments.

As we begin to close this chapter on the 2012-13 school and sports year we want to extend a big thank you to all of our student-athletes for making this a great year. We would also like to thank our parents and volunteers that make our job so enjoyable.

Thank you and **GO RAIDERS!!!**

VOLUNTEER COMMITMENT AND PROCEDURES
READ THE FOLLOWING CAREFULLY BEFORE SIGNING AND DATING THIS APPLICATION

Screening: For the safety of students, all prospective volunteers will be asked to complete an Adult School Volunteer Application and provide a photo I.D. (international ID's are accepted). All prospective volunteers will be given a "Background Check" check pursuant to NRS 179D. Additionally, the District, in its discretion and without a statement of reason, may require a complete criminal history check on any volunteer at any time. In programs where a volunteer is an Overnight Chaperone and may work alone for extended periods of time with a student or by request from the principal, fingerprinting and a full state and federal background check are required. If fingerprinting is required, the school district will cover these costs. All fingerprinting must be authorized.

Confidentiality: What you hear and observe about students, families, and staff while volunteering in a school is **confidential**. Repeating a seemingly harmless comment can lead to misunderstandings and hurt feelings. For schools to provide the best environment for learning, everyone's privacy must be respected.

Liability: The Washoe County School District is proud to provide liability coverage and an accident policy for its volunteers, which will provide up to \$1,500 after any other valid and collectable insurance. In order to have this protection, **all volunteers must sign in on the school's volunteer / visitor sign in sheet** (in every school office) every time they volunteer. Volunteers are not covered by Workers' Compensation.

Child neglect and abuse reporting: School volunteers are obligated under mandatory child reporting laws to report any suspected child neglect or abuse. Please refer to Washoe County School District mandatory reporting guidelines.

Supervision: Volunteers perform under the direction and supervision of school personnel. Volunteers should know and follow school policies and rules. The District, in its discretion and without a statement of reasons, may suspend any volunteer from further volunteer activities pending any background check. No statement by the District establishes a property right to perform volunteer work.

Communication: If you are unable to make it to school when you are expected, please call the school and leave a message. Similarly, school staff will contact you if your time is cancelled or changed for any unforeseen reason. You may contact the WCSD Volunteer Services Office at 775-851-5655, or email llightfoot@washoe.k12.nv.us with questions or for assistance.

Student / Volunteer relationships: Volunteers function in a position of trust and Washoe County School District does not extend that volunteer / student trust relationship outside of the supervised school environment. It is the responsibility of the volunteer to notify the site administrator immediately if he/she becomes involved with a student / family outside the WCSD environment.

I affirm that I have read and understand all the information on this Adult School Volunteer Application and that all the information I have provided in this application is true and complete to the best of my knowledge. I understand that WCSD reserves the right to verify all information on this application form and that any false statements or failures to disclose information may be sufficient to disqualify me as a volunteer. I hereby authorize Washoe County School District to obtain information relating to my current and / or previous employment, education, and personal history records.

The New Year has brought a lot of interesting and fun things to the **Reed Raider Battalion**. So far this year we have been busy with Rifle matches, drill and athletic competition and our annual field trip to **San Diego**. With the semester already half over, our cadets are looking forward to upcoming athletic competitions, our awards night and our end of the year party.

In February, the Varsity and Junior Varsity rifle teams completed their seasons with the **Top Gun** match at Carson High School and State match at Wooster High School. Both teams had a successful year with the Varsity finishing 3rd in Northern NV and the JV finishing 2nd.

In March, fifteen of our cadets visited Mendive Middle School to talk with the 8th graders about all of the fun activities our Battalion participates in. The next day our cadets competed in the annual "**Panther Challenge**" at North Valleys High School. Our drill and athletic teams did very well with our Color Guard placing first, lead by C/Ens Kyle Weatherhead; our Drill Team and academic teams finished 2nd, led by C/ENS Anna Oetting and Josh Mooney respectively.

Completing a fine day of competition C/LTJG Katrina Lund took 3rd place in Individual Rifle Spin-Off. Wrapping up a busy March, forty seven cadets went on a 5-day field trip to **San Diego**, where cadets got to see what life is like in the Navy and Marine Corps. They visited five different commands; to include a Destroyer, a Fast Attack Submarine, an F/A-18 squadron and a navy landing craft command. Cadets got hands-on experience as they toured these commands, participating in training exercises; like the combat convoy simulator and the F/A-18 fighter jet simulator.

With the warmer weather upon us our cadets are pushing hard to get in better shape as they train for the **Cadet Olympics**, at Reno High School. The Cadet Olympics are an annual event where cadets from 12 schools compete in different athletic events. The overall winner of the Cadet Olympics will host next year's games.

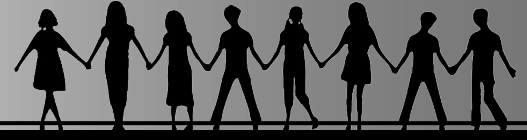

The Battalion will wrap up the years competitions at the **Churchill County Field Meet and Hug Biathlon**. The Hug Biathlon is an exciting event where cadets complete a circuit

three times, running a ½ mile and then entering the rifle range to shoot 5 targets in the prone and standing positions.

As we prepare to complete our year in May the cadets of the Raider Battalion will host their **Awards Night** on the 22nd followed by our end of the year party. While the end of the year brings excitement for all, this year it brings some sadness as we say goodbye to Lieutenant Commander **Larry Janca** (USN Ret.). LCRD Janca has been the Senior Naval Science Instructor for the Raider Battalion for the past 20 years and he will be missed by all the Raider cadets, both past and present. We wish him and his family fair winds and following seas.

Credit Deficient Seniors

Parents, if you have a concern that your senior may not graduate in June, please contact their counselor to set up a conference.

2013/2014 Student Schedules

Registration for the 2013/2014 school year has been completed! In April, you should have received a copy of the classes your student chose for next year. If you have any concerns or change requests, please contact your student's counselor no later than Friday, May 31st.

Your student will receive their final schedule toward the end of July, beginning of August. More information on this topic will be sent to you over the summer.

Junior Interviews

Watch your mailbox for a copy of your junior interview as well as a copy of the current transcript. Please feel free to contact your junior's counselor for any additional information or answers to questions you may have.

Semester Grades Are Final!!!

This year, finals for second semester are scheduled for June 3rd-5th. The last day of finals also marks the last day of the school year. Grades issued at that time will be final grades and they will be posted on your student's transcript and permanent record.

Monitoring your student on Infinite Campus is the best way to ensure you know how they are doing in any of their classes. If you cannot get onto Infinite Campus, please contact Paula Edmonds at 325-8313 or pedmonds@washoeschools.net.

If you have concerns that your student may not pass a class (with a D or above), please contact their teacher for any possible options. You may also contact their counselor with questions.

College Entrance Exams

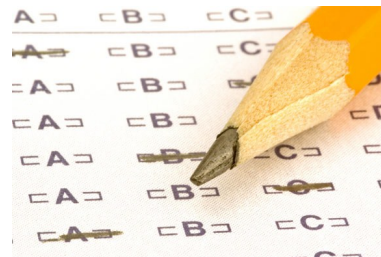

Juniors who are interested in taking these exams should do so during the June administrations.

STARS ACADEMY NEWS

Reed's STARS Academy will be honoring their first graduating class of students in fashion design, metalworking and automotive technology at **Reed's All School Awards Night** on May 29th, 2013. Each of the students listed below has spent 3 years in a program of study in CTE in the academy. This year's senior fashion design students include **Jessica Inlow, Michelle Micalizzi, and Anne Mueller**. The automotive technology program had 5 senior graduates---**Brendan Bosch, Edward Calderon, Robert Conger, Tiare Fonoimo, and Wyatt Shirk**. The metalworking program had 1 graduate-- **Cristopher Lansford**.

Fashion design students **Jessica Inlow, Michelle Micalizzi, and Anne Mueller** will each receive the **Reed High Fashion Design Scholarship**. Jessica loves to design clothes and prepare culinary delights—she plans to attend TMCC in the fall. Michelle plans to be a respiratory therapist who can design & sew her own scrubs. Anne Mueller is very creative, winning several art awards, over the past two years at Reed. She plans to attend BYU in Idaho this fall so she can become an art educator. STARS Academy student **Mikel Luster** will receive the **Reed High Culinary Arts Scholarship**. Mikel loves to cook and plans to attend culinary school so he can become a chef.

STARS Academy students have the opportunity to participate in **SkillsUSA**—a nationally recognized student organization that provides quality educational experiences in leadership, teamwork, citizenship and character development. STARS Academy students that won their regional SkillsUSA leadership & skills competition are moving on to the state competition April 23-26. **Michelle Gregg and Marco Micalizzi** will compete in **commercial baking**. **Mikel Luster** will compete in **culinary arts**. **Dustin Ashford and Tiare Fonoimoana** will compete in **power equipment**. **Brendan Bosch and Nathaniel Erickson** will compete in **automotive service**. **Heidi Freeman and Taylor Youngreen** will compete in **precision machining**. **Nathen Penberthy, Miki Gray, Chris Lansford, Ryan Magee, and Chet Wagner** will compete in **welding and welding fabrication**. State SkillsUSA gold medal winner will go on to the national leadership and skills competition in Kansas City in June.

Senior STARS Academy students, who successfully complete 3 years in a program of study in auto, metals fashion or culinary arts, may earn community college credit at the same time they are earning high school credit. Some STARS Academy programs offer industry recognized certifications.

ATHLETIC INFORMATION
APRIL 2013

DEAR REED HIGH SCHOOL ATHLETES

THE REED HIGH SCHOOL ATHLETIC DEPARTMENT WOULD LIKE TO WELCOME YOU TO THE 2013-2014 SCHOOL YEAR. THE FOLLOWING INFORMATION IS PROVIDED TO ASSIST YOU IN PREPARING FOR THE FALL SPORTS SEASON:

1. ATHLETIC FORM PACKETS

Student athletes and support group participants are required to complete an Athletic Clearance Packet prior to trying out or participating in any athletic activity. This Athletic Clearance Packet should be turned in at the time of Clearance. **Packets should not be turned into coaches or anyone in the office.** These packets are available at the Reed High School main office and online on the Reed High School WebSite. (when available)

2. INSURANCE

It is a Washoe County School District policy that all athletes **must be covered with medical insurance.** If a family insurance plan is not available, students may sign up for school insurance. Please feel free to pick up a copy of this application and brochure at the main office and carefully read for coverage that is available. This insurance is not affiliated with Reed High School.

3. PHYSICALS

All incoming freshmen are required to have a physical. These forms are included in the Clearance Packet. No other forms will be accepted. Physicals performed by Medical Doctors, Doctors of Osteopathic Medicine, Advances Practitioners of Nursing (APN's) and Physician's Assistants are acceptable. Physicals are only good for two years. If you have any questions relative to this matter, please call Cindy McDaniels, the Athletic Coordinator.

4. SHOES

At some point during the summer, you will need to purchase a pair of shoes specific for the sport you will be playing. We suggest that you break in these shoes well in advance of the first day of fall sports.

5. STUDENT ACTIVITY CARDS

Student athletes and support group participants are required to pay a student activity fee of \$25.00 prior to participating in extracurricular activities. Athletes will be required to pay this yearly fee in order to participate in any sport.

6. TRAINING SUPPLY FEE/IMPACT FEE

In order to keep our athletes in the best physical condition, a \$5.00 training supply fee will be charged at the time of clearance. This money will be used to offset the rising costs of supplies, which so many of our athletes require. The multi-sport athlete will only pay this fee once during the year. We are also instituting a \$5.00 Impact Concussion Management Program fee this year for all sports.

7. TRANSPORTATION FEE

A \$25.00 fee will be assessed at the time of clearance to cover traveling costs.

8. GRADE CHECKS

Grades for Reed High School students will be checked during the clearance process. Fall Sports athletes second semester grades (June 2013) will be used. Students **do not** need to bring their report cards. **Incoming Freshmen will no longer need to present their report cards. A first semester ninth grade student will be eligible for athletic competition and follow all other NIAA eligibility guidelines.**

CLEARANCE DATES

July 8, 2013 and July 9, 2013 CLEARANCE DAYS- VOLLEYBALL, GIRLS GOLF, BOYS/GIRLS SOCCER, BOYS/GIRLS CROSS COUNTRY, BOYS/GIRLS TENNIS ---8:00 AM – 1:00 PM ONLY.
