## *Letter from the Principal*

Dear Parents and Guardians:

As we begin the second quarter of the school year, I am pleased to say that it has been a good first quarter. Our enrollment on **Count Day** was 2010. We were built in 1974 for 1800 students. At our height almost twelve years ago, we had close to 2700 students! Even though we are a little overcrowded, I feel we continue to offer a school with **high academic standards** and a **safe learning environment**.

Unfortunately, Reed High School was recently notified that we did not make **Annual Yearly Progress** under No Child Left Behind. In the English Language Arts Achievement, as a school, we met the standards as well as the sub groups of Asian, Hispanic/Latino, White/Caucasian, Limited English Proficient, and Free and Reduced Lunch. We did not meet standards in IEP/Special Education. In Math Achievement, as a school, we met the standards as well as the sub groups of Asian, White/Caucasian, and made **Adequate Yearly Progress** using Safe Harbor in Hispanic/Latino, Limited English Proficient, and Free and Reduced Lunch and IEP/Special Education. Reed High School will be working with our Area Superintendent, Performance Director, and an in-house committee to address how we can improve our IEP/Special Education students in Adequate Yearly Progress.

The **High School Proficiency Exams** (HSPE) are very important in that it not only serves as the school's report card, but the students must pass the math, reading, writing, and science portions of the HSPE to be eligible for a standard diploma. During the upcoming testing periods, Reed HS will send out postcards listing the times of each

test and our Connect Ed phone system will call your home to remind your student and you of the importance of participating in the High School Proficiency Exams. The **test schedule** is:

- **October 29**, Monday, MATH for 11<sup>th</sup> & 12<sup>th</sup> grade students who have not yet passed the test.
- **October 30**, Tuesday, READING for 11<sup>th</sup> & 12<sup>th</sup> grade students who have not yet passed the test.
- **October 31**, WRITING for **ALL 11<sup>th</sup>** grade students and 12<sup>th</sup> grade students who have not yet passed. There will be a **three-hour delay** on this day only for 9<sup>th</sup> grade, 10<sup>th</sup> grade, and any 11<sup>th</sup> and 12<sup>th</sup> grade students who already passed the test. Lunch begins at 11:00a.m. and school begins at 11:30a.m.
- **November 1**, Thursday, SCIENCE for 11<sup>th</sup> & 12<sup>th</sup> grade students who have not yet passed the test.
- **November 2**, Friday, **Make-up** for Math, Reading, and Science only.

Reed High School still has a number of students who need to pass some or all parts of the proficiency tests to graduate with a standard diploma. Seniors and their parents will soon receive a description of all **remediation** efforts in an effort to assist the students in passing the HSPE. I encourage the students to participate even if it means staying after school to prep for the Science exam or attending the Saturday morning classes in preparing for the math exam. If you have any questions regarding your child's status on the High School Proficiency Exams, please call your student's counselor.

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2012

I am also pleased to report that we have approximately 767 students enrolled in fifteen different **Advanced Placement** courses. The advantages of enrolling in Advanced Placement courses not only offers the students college level courses on the high school level, but if the student receives a 3 or above on the AP test administered in May, the student may be granted college credit or be exempt from taking lower level prerequisites. With the rising cost of college, this is a real advantage.

Reed High's Advanced Placement teachers are:

**Kathleen Stynen** / Biology  
**Janet Sawyer** / Chemistry  
**Kellie Kareck** / Calculus, Statistics  
**Brandi Davenport** / Calculus  
**Genevieve Morehouse** / Environmental Science  
**Richard Hoadley** / English Language & Composition  
**Sara Jones** / English Literature & Composition  
**Ilana Rugg** / French & Culture  
**Cathy Morgan** / US History  
**Mark Towell & Kenton McHenry** / US Government  
**Ryan Smith** / Spanish Language  
**Molly Dahl** / Spanish Literature & Culture  
**Jeff Schweisow** / Physics  
**Ron Coombs** / Micro & Macro Economics  
**Kathleen Stynen** / Psychology

I want to thank our Student Body for their cooperation in adapting to Reed's **uniform policy**. I credit our Uniform Committee in selecting shirt styles and colors that would appeal to the overall school population. Many students have commented that "it is not as bad

as I thought it would be," and "it takes a lot less time to get ready in the morning." Some faculty members' comment that it has had a positive effect on school climate. As you will see in Brandon Bringham's (Assistant Principal) article in this newsletter, we have made some positive adjustments in the uniform policy. You will also find in this newsletter an **order form** for long sleeved uniform shirts in Columbia Blue and Black as well as crew neck Reed sweat shirts that are very reasonably priced.

Another new addition this year is our **campus fence**. I hope you were able to read the articles in the *Reno Gazette Journal* and *Sparks Tribune*. School Police officer Mike Mieras talked about the "goal is to make our campuses **safe** for students, staff and community when they are on location." Reasons for fencing include: keep unwanted people off campus, allow better control during lockdown. This was a 3-year project funded by the School Works Bill/Capital Projects as well as grants (Cops Plus).

## **Congratulations Corner**

**Congratulations** to **Molly Olsen** who was named a Commended student in the National Merit Scholarship competition.

**Congratulations** to **Chris Cummings** and **Ashlyn Edmondo** who attended the Hugh O'Brien (HOBY) Leadership conference this summer.

**Congratulations** to Stephanie Symonds, Ellen Wilson, Yoey Mireles,

Logan Vine, and Marisa Stirgus who attended Rotary Camp RYLA this past June.

**Congratulations to Gabby Williams** who was named Gatorade Athlete of the Year for 2011-2012 school year.

**Congratulations to Sam Nichols** who received a bronze medal in Skills USA Culinary competition, to **Angel Tamayo Del Rio** for winning a Silver medal in Skills UAA competition for Power Equipment Technology, and gold medal winners **Brendan Leach, Josh Tharratt-Hodges, and Dan Diaz** for Welding Fabrication. Brendan, Josh and Dan placed fifteenth in National Skills USA competition.

I want to thank our great **Student Council** and **Leadership Class** for the great start to a school year from the well attended Welcome Back Dance to the entertaining assembly.

Student Body officers:

**Ellen Wilson** - President  
**Nicholas Topoian** - Vice President  
**Marisa Stirgus** - Secretary  
**Yoey Mireles** - Treasurer  
**Cesar Calix** - Historian  
**Logan Vine** - Western Regional Representative

Student Leadership advisors:

**Roni Green & Kyle Cassinelli**

I want to thank our Class Advisors:

Freshmen – **Brad Naughton & Allison Sharpe**  
Sophomores – **Melinda Jensen & Ashley Gibson**  
Juniors – **Kim Fowler**  
Seniors – **Leigh Metcalfe**  
Judicial Board – **Leianne Whitley**

We had auditions for the **Washoe County School District Honor Choir** and 36 Reed students made it! Out of 4 sections leaders in the district, 3 are from Reed. Their names are **Hayden Casey, Jill Engstrom, and Sierra Mooney**. Congrats to: Zion Alcarion, Grant Allen, Adam Armolea, Hayden Casey, Jill Engstrom, Jayme Espinosa, Cody Forman, Sarah Giles, Tessa Hedrick, Kristen Hess, Lauren Janssen, Noelle Johnson, Jamie Johnson, Adam Johnson, Matthew Johnson, Kasey King, Wendy Kleist, Ivy Llewellyn, Heidi Marchant, Carly Mackay, Cole Mason, Amanda Melfe, Joey Montoya, Sierra Mooney, Aaron Oleson, Molly Olsen, Lauren Petersen, Rachel Punzalan, John Rader, Kayla Riley, Brandon Robbins, Jeremiah Santos, Daryl Taufasau, Emily Todd, Kenna White, Sarah Young.

I want to thank the following **parents for volunteering** to be members of Reed High School's **Site Council**: Cindee Ashkar, Kendall Inskip, Bryn McCubbins, Yolanda Shepard, Chris Long, and Janet Peterson. The Site Council meets at 6:30 p.m. in the school library on the following Monday evenings: Nov 26, Feb 25, Apr 22. Please join us.

Please know that Reed High School administration and teachers welcome all parents to participate in high school daily life. Although your work schedule may not permit you to **volunteer** your time during the day, other parents may have a schedule that would permit them to volunteer their time in the morning or maybe a day or two each week. Please refer to the volunteer form in this newsletter and consider completing it.

If you need updated information on Reed High events and news, phone directory, or e-mail/addresses please check out:

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2012

I am looking forward to working with all students, staff, parents/guardians, and the entire community as we embark on another exciting school year. Through collaborative efforts, we will continue to make Reed High School an atmosphere that establishes acceptance, understanding, respect, and challenges all students academically. I promote parent and community partnerships, so please complete all district paperwork and volunteer at Reed.

I believe that all students deserve to be educated in a positive, rigorous, and caring environment. To me, that place is Reed High School. **Go Raiders!**

## CURRICULUM CORNER

It is hard to believe that we are well into our first nine weeks of classes and activities at Reed High School. Your child has almost completed his/her first 2 full months of school. Rapidly approaching is the end of the grading period on October 25<sup>th</sup>.

By this time, I hope you have had an opportunity to connect with your child's teachers and counselor. I believe that consistent open lines of communication are the key to a child's success. They need to know that we are a positive team who cares and supports their educational short and long term goals.

Our **Counselors** for 2012-2013:

Name	Alphabet	Direct Line
Bob White	A-Da	325-8319
Corrie Hyatt	De-Hi	325-8315
Lisa Rollins	Ho-Me	325-8317
Debbie Del Vecchio	Mi-Sa	325-8320
Lynette Gardner	Sc-Z	325-8316

## Infinite Campus

In an effort to increase school to home communication, Reed High School's teachers are using Infinite Campus for grade reporting, attendance information and parent communication. When viewing Infinite Campus, please make contact with the classroom teacher or counselor when questions or concerns arise.

I highly recommend logging onto Infinite Campus weekly, so you can consistently monitor your child's successes. As you are checking Infinite Campus, please remember to focus on effort and provide positive praise.

If you have not yet activated your Infinite Campus Parent Portal account, please call Paula Edmonds at 325-8313 or by email at pedmonds@washoeschools.net for your activation code.

## FRIENDLY REMINDER.....

The **High School Proficiency Exams (HSPE)** are quickly approaching. The HSPE will be given to juniors and seniors who still need to earn a passing score. Keep in mind that these 4 tests (Reading, Math, Science, & Writing) are **REQUIRED** for **graduation** from any Washoe County High School, and your child's attendance and preparation are **MANDATORY**. The first test will be administered on Monday, October 29<sup>th</sup>.

If you have testing questions, please call me at 325-8303 or send an email to [kksmith@washoeschools.net](mailto:kksmith@washoeschools.net). You can also contact your child's counselor.

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2012

Three significant policy changes this year have really helped our school to increase the focus on **student learning**. As with any new policies, they need some review and revision. Our students have been doing such a great job we are actually allowing for more flexibility particularly as it relates to the uniforms. Allow me to address these three policies and note some reminders and modifications.

## Tardy Policy

This year students only have 5 minutes between each class instead of 7. Students are doing a great job using this time wisely to get to class on time. A few helpful tips:

- Plan your path – You do not need to go to your locker between every class. If classes are distant, you can get the items for multiple classes with one trip to your locker.
- Listen for the warning bell – A bell rings 2 minutes before the tardy bell. By that bell you should be moving directly to class.
- Keep socializing to a minimum – Your priority is getting to class so you can learn.

The number of tardy students has reduced dramatically this year. As a result there are fewer disruptions and increased learning taking place in every class.

## Fence

We are pleased with the improved safety this fence provides our campus and we appreciate everyone's patience and adjusting to the altered traffic patterns. Fence reminders:

- The southwest parking lot near the football field has the least traffic after school. You may want to consider that area for picking up your student.
- During lunch students must show their ID to leave campus and only students in grades 10-12 may leave campus. Students may not use another person's ID or allow anyone to use theirs.
- Freshman need to earn their credits this year in order to be able to have off campus privileges next year. It is not an automatic right for 10<sup>th</sup> graders. A student must be in 10<sup>th</sup> grade **and** have at least 5 credits.
- We encourage all freshmen to work hard in their classes. We are working on some incentive programs to allow some off campus privileges for freshmen who are demonstrating success in the classroom.

## Uniforms

This is probably the most noticeable difference this year. Our students look fantastic. As we continue to improve the uniform policy, we have a few revisions, reminders and clarifications. Our students have done a great job and there are some areas where we feel we can allow some added flexibility. Please ask your students to continue to provide feedback and adhere to the uniform policy so we can continue to be as flexible as possible.

## **Pants / Shorts / Skirts**

- Can be no shorter than 4" above the center of the knee. This is the rule regardless of leggings worn under skirt or sheer fabric worn over them.
- Colors are solid black and khaki only. No grey, blue or other colors.
- Yoga pants, spandex, "jeggings", or leggings worn as pants are not allowed.
- Denim is one area where we feel we can add more flexibility. Currently our standard allows no denim at all. We will now allow denim as long as it meets the color standards, black and khaki only. Denim must be totally solid colors. They cannot be faded, stonewashed, acid washed, etc. Please make sure the jeans still meet the color standards so we can continue to have this flexibility.
- Pants cannot have any rips, tears or holes.
- Pants must be worn at the waist. No sagging.

## **Sweatshirts / Jackets / Coats / Cardigans / Sweaters**

- Uniform shirt must always be worn regardless of what additional tops are worn.
- Any items worn over the uniform must meet one of the following requirements:
  1. Official Reed logo sweatshirts or jackets are allowed
  2. Other tops are allowed if they meet the following criteria:
    - Black, white or grey only
    - No large logos
    - No designs or pictures. Plaid or argyle sweaters are allowed so long as they are only black, white or grey.
    - Zippers or buttons must be open to display the uniform
    - Hoods will be allowed as long as it is on a top which is the appropriate color and can be opened to display the uniform.
      - Our students have done a great job keeping the hoods off in school. As a result, this is another area where we will allow more flexibility. Please make sure hoods and hats stay off at school so we can continue with this flexibility.
- All jackets / sweatshirts / coats / cardigans / sweaters that do not meet the above criteria must be removed in the hallways and other common areas of the school. They can be worn in classrooms at the teacher's discretion.
- Students may also wear shirts under their uniform shirts if they tend to get cold.

Thank you for the **warm welcome** we have received as a new SRO staff and for the comments and suggestions.

We look forward to continuing a great year!

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2012

## ATHLETICS

Welcome back Raider Nation! As we begin the school year, Reed Athletics is in high gear. Fall sports season is our busiest time of the year and we are trying to catch our breath as our student/athletes take to the fields and courts.

## TENNIS

As of this writing, the playoff season in tennis has already begun and once again both our Boys and Girls teams have qualified for Regionals. Both programs clinched their playoff spots by beating rival Spanish Springs. Look for updates in the next newsletter for regional and state results. We would also like to welcome new Girls Head Coach **Anthony LeSure**. Anthony has done a great job and we look forward to a great future with him leading the program.

## GOLF

Girls' golf is winding down its season and the Lady Raiders are poised to once again return to Regional action. It should be exciting as this very young group gets their first taste of playoff pressure, please check next newsletter for results.

## CROSS COUNTRY

Both the boys and girls teams are off to a great start as we approach Regionals and State. The boys currently sit second in the High Desert League and the girls sit in fourth. Both teams are on pace to qualify for Regionals and we look forward to posting their results. We also want to welcome new Boys Head Coach **Ryan Ochoa**. Ryan has been

an outstanding addition to the Reed family and we look forward to his future here at Reed.

## SOCCER

Girls' soccer is currently sitting atop the High Desert League and looks to be a perennial power in the upcoming Regional tournament. It should be an exciting playoff season as this young team battles the established powers from the Sierra League.

Boys' soccer is currently sitting just outside the final playoff spot in the High Desert League. With key matches against those teams sitting in front of them, it will be an exciting push as the season winds down, look for the Blue and Gold to qualify. We also want to welcome our new head coach **Joel Martinez**. Coach Martinez has done an excellent job and we look forward to a long tenure for him at Reed.

## VOLLEYBALL

The Lady Raiders are back in action and back in the mix of perennial powers in the North. They just knocked off Manogue and are set to renew acquaintances with Spanish Springs. The Lady Raiders sit in second in the High Desert League as of this writing and will look to defend their Regional crown when Regionals begin.

## FOOTBALL

The defending Regional champs are back at it. Reed sits atop the High Desert League standings as of this writing after knocking off long-time rival McQueen. Reed looks to return to the post-season as the favorite to win the

North in the coming weeks.

## MAYORS TROPHY

Our contest with rival Spanish Springs is back for a second season and thanks to our Tennis program, we have the early lead in fall sports. Most of our contests with the Cougars are at the end of the fall sports season as the Northern Nevada Division 1 (formerly the 4A) adopts its new rivalry format. This format pushes all "rivalry" games to the final contests of the season. Reed looks to defend the trophy after winning it in a runaway last year.

## OTHER NEWS AND NOTES

The Reed Athletic Department would like to thank the **Sparks City Council** and **Mayor Geno Martini** for their generous contribution to **Reed's baseball field** being rebuilt. At a meeting on the 24<sup>th</sup> of September, the council granted Reed access to funds that will allow us to rebuild the skirt areas of the field and finish much needed maintenance on our facility. We also would like to thank **Frank Bidart** who was the driving force behind this project and whose hard work and tireless effort allowed us to gain access to these much needed funds.

The Reed High Athletic Department would also like to thank all of the **parents** and **volunteers** that have helped make this season outstanding. We could not do it without you. We also want to thank our **athletes** and **coaches** for their hard work, dedication, and pride in wearing the Blue and Gold.

**GO RAIDERS!!!**

What an exciting year we are having in NJROTC!

School year 2012-2013 started on 17 July with the Commanding Officer and senior staff scheduling/briefing session, to plan for the upcoming unit events.

"**Freshmen Marching Camp**", an overview of the Naval JROTC activities that take place throughout the year, was held on 24 August. Thirty-five freshmen and 45 returning cadets spent a day of drill, marching, games, and getting to know Reed High School and some of their ROTC leaders. The high point was the pizza lunch.

Our "**Welcome Aboard Party/Dance**" was held on 6 September in the ROTC Rifle Range. Over 100 cadets and their friends participated. There was plenty of food and soda for all to enjoy, all provided by the NJROTC **Booster Club**.

Ninety-five cadets spent the afternoon of 13 September at the **Reno/Stead Air Races**. This was our first field trip. Fun was shared by all, even with their teacher, who gave them permission to go.

The Reed NJROTC Color Guard has been quite active. Their first event was

at the Navy's "**Tail-hook Convention**" held at the Sparks Nugget on 8 September. They have also performed at the home football game, they school assembly, and the school Open House.

The Honor Guard and Color Guard are planning for Football "**Home Coming**" on 5 October.

We have many excited freshmen that are extremely involved with our specialty teams. All teams are preparing for the **Spanish Springs High School Drill Meet** that will be held at on Saturday, 20 October.

Reed High School has continued it's **Safe Harbor** tradition and the NJROTC cadets are planning their Halloween booth for this year. Many of our cadets perform for the audience with **Reed Intermezzo**.

The **Nevada Day Parade** is scheduled this year for Saturday, 27 October. All our cadets have been issued uniforms and most are looking forward to their first parade of the year. This is the first parade many of our students will participate in.

Saturday, 3 November 2012, the Reed Raider Battalion will again sponsor the "**Reed Biathlon**." In this event, cadets are called upon to run for ¼ mile, shoot with air rifles at five targets, run ¼ mile, shoot again at 5 targets, run ¼ mile, shoot at 5 targets in the standing position, and then run to the finishing line. Many of the other ROTC units in the area participate in the exciting event.

On Saturday, 10 November, many of our cadets will be helping The American Legion Auxiliary with this years "**Poppy Sale**." This is one of the many

community services that the ROTC unit helps with each year.

On Sunday, 11 November, all cadets in Washoe County will be marching in the **Veterans Day Parade**. This is the only event that all cadets are required to participate in this semester.

On Saturday, 17 November, REED NJROTC will sponsor their 14<sup>th</sup> **Annual Invitational Drill Meet**. Over 350 cadets from 13 local high schools will participate. It is a thing of beauty to watch the many and various ways that the 10 to 13 cadets, on each of the teams, entertain the audience. Many trophies and medals will be earned and the cadets will make life long memories.

All JROTC cadets in the county are looking forward to the annual **Military Ball** which will be held at the Sparks/Reno Convention Center on Saturday, 8 December. We expect over 2200 cadets and guests to participate in the festivities.

On 15 December the **Brigade Drill Meet** will take place at Reno High School. The 11 High Schools in Washoe County will be performing.

Our nationally ranked **Varsity Air Rifle Team** is rapidly preparing for another successful year and is expecting to again qualify for Nationals in Ohio.

As you can see the cadets at Reed have had a rich and full semester planned. Our senior cadets are looking forward to the highlight of the year with the long field trip scheduled for **San Diego, California**, in the spring.

**GO NAVY!**

## Senior Interviews

The counselors have wrapped up senior interviews and have made plans with each senior at Reed High School. Watch your mailbox for a copy of that senior plan as well as a copy of the current transcript. Please feel free to contact your senior's counselor for any additional information or answers to questions you may have.

## College Fair

Please plan to attend the annual College Fair at UNR in the Joe Crowley Student Union. Representatives from colleges across the country will be available to answer questions and give valuable information. Break-out sessions for writing college essays and applying for financial aid will also be available.

This event will be held:

**Sunday, November 4<sup>th</sup>**  
**12:00pm – 4:00pm**

## ASVAB

The ASVAB can help you take steps toward finding a career that is right for you. You can benefit from the ASVAB whether you plan to pursue further education or enter the workforce after high school. Take the ASVAB to:

- Learn more about yourself and the world of work.
- Develop an effective strategy to realize your career goals.
- Explore occupations in line with your interests and skills.

The ASVAB will be administered in the Reed High School cafeteria, to Reed students only, on **November 19<sup>th</sup>** starting at 8am. A sign-up sheet will be available at the Counseling Counter beginning October 15<sup>th</sup>.

Test results will be administered in the Reed Theater on December 18<sup>th</sup> starting at 8am.

Reminders will go out to students who sign-up and their attendance will be excused for these events.

Reed High School is officially in the **Dolan School Project Contest** and I was hoping that you would all be willing to vote each evening and to share it on your Facebook page so others will also vote for our school. If we win, Reed will get **\$2500** which I will use for my "**Science 2.0- The iPad Experience**" project. Although I still have to apply for another grant to get all the funding I need, once purchased the iPads will be used for **science labs, research and data collection**. You can watch the video and read the proposal to learn more about the projects goals. Please help our school earn technology that will make our students better prepared for the growing number of high tech jobs.

## H.O.P.E. Academy

H.O.P.E. stands for **Health Occupations Preparatory Education**. This academy was developed to assist those students interested in the health care field in learning about health care professions, practices, and education.

We are beginning the second year of the H.O.P.E. Academy with 65 students; twenty returning sophomores and 45 new freshmen. We welcome two new teachers into the program. **Kelly Coleman** is teaching the H.O.P.E. biology classes and **Kathi Berryesa** is teaching the new Health Science 1 class.

We have a wide variety of health care activities planned. Our first field trip was Operation Health Care Bound- Discovering Health Care Careers at UNR on September 29. Students had the opportunity to learn about various careers and talk to health care professionals, colleges and universities about interests and career goals.

Beginning second quarter, sophomore H.O.P.E. Academy students will begin **teaching skills** to the H.O.P.E. Academy freshmen students during access. Skills will include: Basic patient intake practices including assessment, patient questioning, taking a temperature, blood pressure, and pulse. Students will also be learning how to suture and use otoscopes. Student will also learn about bacteria, the spread of diseases and safety practices to prevent the spread of these diseases. Academy students will also have the opportunity to dissect various organs and to see the structure of and discuss the function of these organs.

There is a Sophomore H.O.P.E. Academy fall **field trip to Renown** scheduled for November 20. The students will have a personalized tour through imaging, pediatrics, the lab, and the ability to talk to various nursing professionals. As always, guest speakers will be introduced throughout the school year.

If you or your child is interested in the H.O.P.E. academy or any Academy in the WCSD, you can find more information on the WCSD website at:

<http://www.washoe.k12.nv.us/staff/high-school-signature-academy> , or you can email me at [kstynen@washoeschools.net](mailto:kstynen@washoeschools.net).

# S.T.A.R.S. CTE Academy

Reed High School's S.T.A.R.S. (Success Through Applied Relevant Studies) Career & Technical Education Academy opened in August of 2012 with almost a ½ million dollars in newly remodeled classrooms. Reed H.S. has added 2<sup>nd</sup> culinary arts classroom with new appliances and equipment.

The S.T.A.R.S. CTE Academy consists of: **Culinary Arts, Metalworking & Design**, and **Automotive Technology**. These programs are filled to capacity with students eager to gain hands-on-knowledge for their specific career pathway. There has been such an overwhelming interest in the S.T.A.R.S. CTE Academy it will be necessary to expand the Metalworking & Design as well as the Automotive Technology program for next year.

Today's students are looking for classes that prepare them for the competitive job market of the 21<sup>st</sup> century.

Each S.T.A.R.S. CTE Academy student has the opportunity over the next 3 years to:

- Take advanced level classes
- Earn college tech prep credit
- Obtain industry certification
- Develop entrepreneurial skills
- Participate in a Career & Technical Education Student Organization

The S.T.A.R.S. CTE Academy provides students with the support they need to be successful in a highly-skilled career/or college after graduation.

For more information on Reed High School's S.T.A.R.S. CTE Academy go to [www.washoe.k12.nv.us/reed/content/stars/stars.html](http://www.washoe.k12.nv.us/reed/content/stars/stars.html).

## Scholarships

Scholarships are available all year long but it is up to students to know the application deadlines and keep track of them.

Here are some tips for finding scholarship applications and information:

- **Visit the Reed High School Scholarship Website.** Reed's scholarship committee has made it easy for you to find and access scholarships online. Visit <https://sites.google.com/site/reedhighscholarshipinfo/> regularly to see what is available.
- Sign up for the **College & Career Center email newsletter**. This email contains a list of available scholarships as well as tips on succeeding in school, information about upcoming events, and other important information.
  - **Parents and students can sign up to receive this email by stopping by the College & Career Center in the library or by sending an email to [kcassinelli@washoeschools.net](mailto:kcassinelli@washoeschools.net).**
- Use an **online scholarship database/search tool**:
  - <http://www.fastweb.com/>
  - <https://bigfuture.collegeboard.org/scholarship-search>
  - <http://www.scholarships.com/>
- **Beware of scams!**
  - There are many people out there trying to take advantage of students and parents looking for scholarships. Beware of the following:
    - Scholarship search sites/organization guarantees—only the organization/person awarding the money can make guarantees
    - Required payments—scholarship organizations are in the business of giving money away; they shouldn't be asking you for it.
    - Required bank/credit card information—there is no reason a legitimate organization would need this information.
    - Vague instructions/responses from organization—a legitimate organization should be upfront about whatever you want to know.

College Research and Planning Tools

## The website to help your student plan for college

BigFuture™ by the College Board is a free, comprehensive website that guides families — step by step — in preparing for, finding and enrolling in college. At [bigfuture.org](http://bigfuture.org), you can:

- Use intelligent search-and-match tools and informative videos to find colleges that are a good fit for your student;
- Learn how families like yours have paid for college; and
- Create a personalized plan for college so you and your student know what to do and when to do it.

Find BigFuture online at [www.bigfuture.org](http://www.bigfuture.org).

The Nevada Career Information System (NCIS) is an internet-based career guidance system that combines a wealth of career, education and labor market information into one comprehensive, easy-to-use exploration tool.

The NCIS includes information on:

- More than 500 occupations
- Apprenticeship and licensing
- Self-employment and military careers
- Resumes, job search and interviewing
- Programs of study after high school
- Nevada schools and training providers
- U.S. colleges and universities
- Financial aid and scholarships

The site also includes assessments, sorting tools, occupational videos, personal account features, a resume generator, and much more!

Visit the NCIS online at [www.nvcis.intocareers.org](http://www.nvcis.intocareers.org).

## Renaissance Home Connect

Reed High School is using a program called Renaissance Place. This program allows students to test at school on books they have read.

Renaissance Place has a special feature called Renaissance Home Connect. This allows students and parents' access outside of school from any computer with an internet connection. Students and parents can view current quiz results and past test scores. It is fun and easy to use and allows access to student progress in Accelerated Reader and Accelerated Math.

To access Renaissance Home Connect, go to the Reed High School Library web page at <http://www.washoecountyschools.org/reed/> Students will know their username and passwords.

If you'd like to receive e-mails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions. To be sure these emails reach your inbox, add to your address book: [homeconnectautodelivery@renlearnrp.com](mailto:homeconnectautodelivery@renlearnrp.com) .

To access the Research Databases from home, go to the Reed High School Library web page at:

**VOLUNTEER COMMITMENT AND PROCEDURES**  
**READ THE FOLLOWING CAREFULLY BEFORE SIGNING AND DATING THIS APPLICATION**

**Screening:** For the safety of students, all prospective volunteers will be asked to complete an Adult School Volunteer Application and provide a photo I.D. (international ID's are accepted). All prospective volunteers will be given a "Background Check" check pursuant to NRS 179D. Additionally, the District, in its discretion and without a statement of reason, may require a complete criminal history check on any volunteer at any time. In programs where a volunteer is an Overnight Chaperone and may work alone for extended periods of time with a student or by request from the principal, fingerprinting and a full state and federal background check are required. If fingerprinting is required, the school district will cover these costs. All fingerprinting must be authorized.

**Confidentiality:** What you hear and observe about students, families, and staff while volunteering in a school is **confidential**. Repeating a seemingly harmless comment can lead to misunderstandings and hurt feelings. For schools to provide the best environment for learning, everyone's privacy must be respected.

**Liability:** The Washoe County School District is proud to provide liability coverage and an accident policy for its volunteers, which will provide up to \$1,500 after any other valid and collectable insurance. In order to have this protection, **all volunteers must sign in on the school's volunteer / visitor sign in sheet** (in every school office) every time they volunteer. Volunteers are not covered by Workers' Compensation.

**Child neglect and abuse reporting:** School volunteers are obligated under mandatory child reporting laws to report any suspected child neglect or abuse. Please refer to Washoe County School District mandatory reporting guidelines.

**Supervision:** Volunteers perform under the direction and supervision of school personnel. Volunteers should know and follow school policies and rules. The District, in its discretion and without a statement of reasons, may suspend any volunteer from further volunteer activities pending any background check. No statement by the District establishes a property right to perform volunteer work.

**Communication:** If you are unable to make it to school when you are expected, please call the school and leave a message. Similarly, school staff will contact you if your time is cancelled or changed for any unforeseen reason. You may contact the WCSD Volunteer Services Office at 775-851-5655, or email llightfoot@washoe.k12.nv.us with questions or for assistance.

**Student / Volunteer relationships:** Volunteers function in a position of trust and Washoe County School District does not extend that volunteer / student trust relationship outside of the supervised school environment. It is the responsibility of the volunteer to notify the site administrator immediately if he/she becomes involved with a student / family outside the WCSD environment.

***I affirm that I have read and understand all the information on this Adult School Volunteer Application and that all the information I have provided in this application is true and complete to the best of my knowledge. I understand that WCSD reserves the right to verify all information on this application form and that any false statements or failures to disclose information may be sufficient to disqualify me as a volunteer. I hereby authorize Washoe County School District to obtain information relating to my current and / or previous employment, education, and personal history records.***
