Letter from the Principal

Dear Parents and Guardians:

As we begin the second quarter of the school year, I am pleased to say that it has been a good first quarter. Our enrollment on Count Day was 2030.

Our most recent WCSD and State of Nevada Report Cards gave us three (3) **STARS**. I am thrilled to state that Reed HS received 18 out of 18 points for Graduation rate which was 82%. We also received 4.4 points out of 5 for our Family Engagement Plan. Unfortunately, we lost points on the College Readiness and "on Pathway to College Readiness" Indicators. We received 2 out of 5 points since only 49% of our graduating seniors completed 1 or more AP/IB/ Dual Credit Courses by Graduation. We received 2 out of 5 points since only 24% of the 49% of the graduating seniors passed at least one AP/IB Exam by Graduation. We earned only 6 out of 10 points since only 40% of graduates earned an Advanced or Honors diploma.

Our counselors will encourage students in the future to seek Advanced and Honors diplomas. Please see criteria listed:

An **ADVANCED DIPLOMA** requires a cumulative GPA of 3.25 (weighted or unweighted) 24 credits, 4 math credits, and 3 science credits.

An **HONORS DIPLOMA** requires a cumulative GPA of 3.40 (weighted or unweighted), 24 credits, 4 Math credits, 3 Science credits, 8 Honors/AP Credits, 2 credits of the same language, no course failures during the junior or senior year.

Passing the High School Proficiency Exams (HSPE) is of the utmost importance in all the areas of math, reading, writing, and science to qualify for a standard diploma. During the upcoming testing periods, Reed HS will send out postcards listing the times of each test and our Connect Ed phone system will call your home to remind your student and you of the importance of participating in the High School Proficiency Exams. The test schedule is:

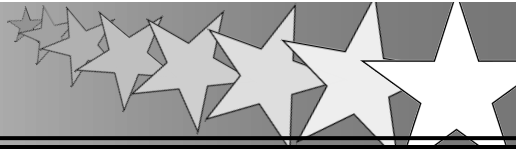

- November 4, Monday, MATH 11th & 12th grade students who have not yet passed the test.
- November 5, Tuesday, READING for 11th & 12th grade students who have not yet passed the test.
- November 6, WRITING for **ALL 11th** grade students and 12th grade students who have not yet passed. There will be a three-hour delay on this day only for 9th grade, 10th grade, and any 11th and 12th grade students who already passed the test.
- November 7, Thursday, SCIENCE for 11th & 12th grade students who have not yet passed the test.

Reed High School still has a number of students who need to pass some or all parts of the proficiency tests to graduate with a standard diploma. Please see below the schedule for the 2013-14 school year for **HSPE review**:

These dates are planned around the Intersessions scheduled by the school district:

- **October 14-18**, 9:00am-1:00pm A+ and Plato HSPE Review for 11th and 12th grade students.

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2013

- HSPE Review for 10th, 11th and 12th grade students (for **March 3,4,5,6** HSPE Test) on Saturdays - **2/8, 2/15, 2/22**, and **3/1** from 9:00 am-noon.
- Spring Intersession, **March 31-April 11**, 9:00 am-1:00 pm HSPE A+ and Plato Review for 12th grade students.

I am also pleased to report that we have approximately 903 students enrolled in seventeen different **Advanced Placement** courses. Enrolling in Advanced Placement courses not only offers the students college level courses on the high school level, but if the student receives a 3 or above on the AP test administered in May, the student may be granted college credit or be exempt from taking lower level prerequisites. With the rising cost of college, this is a real advantage.

Reed's **Advanced Placement teachers** this year are: Kathleen Stynen /Biology and Psychology, Janet Sawyer /Chemistry, Kellie Kareck / Calculus/Statistics, Genevieve Morehouse /Environmental Science, Richard Hoadley / English Language and Composition, Sara Jones / English Literature and Composition, Ilana Rugg / French and Culture, Cathy Morgan / US History, Mark Towell and Kenton McHenry / US Government, Ryan Smith / Spanish Language, Balbine Mengu / Spanish Literature and Culture, Ron Coombs / Micro and Macro Economics and Human Geography, and Malary Engstrom / Music Theory. We plan to add World History and Computer Science next year.

One new aspect of the 2013-2014

school year is the creation of a **Family Engagement Plan**. One of our goals is to "build knowledge of three areas: Academic Success/Transition, Social Emotional Wellness and College and Career Readiness over the course of the school year through monthly meetings." Families will have three options to each night that they can attend:

- **Parent University or similar class** - classes will cover topics of Academic Success, Social/ Emotional Wellness, and College and Career Readiness.
- **Counselor Meeting** - topic to be determined by counseling department or for general Q&A for parents.
- **Site Council Meetings** - open to all parents and community members who would like to attend to play an active part in the decisions of Reed High School.

Family Engagement Nights are scheduled for October 9, November 13, January 22, February 12, March 19, and April 23. Our programs include Parent University presentations, Reed HS Counselors' presentation and Site Council Meeting.

The **Parent University** will be presenting the following topics at Reed High School in room 114/116 with Child Care in room 112. The classes run from 6:00-7:30 p.m.

- Feb. 12 Common Core: An Introduction
- March 19 How Am I Going to Pay for My Child's Education?
- April 23 Ready to Launch? Preparing Yourself and Your Student for College

Reed HS Counseling Department will be offering the following in the theater:

- Nov. 13-Resources and Referrals - Information about school and community resources that can help your child(ren) succeed.
- Jan. 22-Financial Aid - Seniors and their parents are encouraged to attend for information about and help with financial aid.
- Feb. 12-AP Night - Become familiar with Reed's Advanced Placement classes and options.
- April 23-To be announced

Credit Deficient Students are able to continue their current classes in Plato and A+ or select another course to work on during the Intersession Sessions:

- December 30, 31, Jan. 2,3,6,7,8,9,10 9:00am-1:00 pm Labs 501 & 115
- April 7-11, 9:00 a.m.-1:00 pm Labs 501 & 115

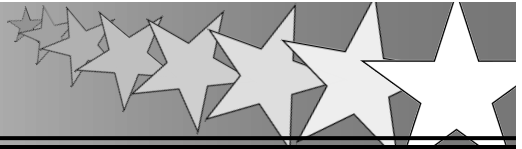

Please sign up with your counselor.

Congratulations Corner

Congratulations to Cory Berger and Anna Miller who were named as *Semi-Finalists in National Merit Scholarship Competition*. Cory and Anna are among the 16,000 Semifinalists in the 59th National Merit Scholarship Program. The academically talented high school seniors have an opportunity to continue in competition for some 8,000 National Merit Scholarships worth about \$35 million.

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2013

Congratulations to **Joshua Mooney** who was named as a *Commended Student* in National Merit Scholarship Competition. Commended students are being recognized for their exceptional academic promise demonstrated by their outstanding performance on the qualifying test used for program entry. They will not, however, **continue in the competition for National Merit Scholarships.**

Congratulations to **Joshua Mooney** for attending the **Boys' State Convention.**

Congratulations to **Austin Lensch** and **Jillian Miller** who attended the Hugh O'Brien (HOBY) Leadership Conference.

Congratulations to **Buffalo Wild Wings** (located at Legends Center on the west side of the Target Parking Lot) and **Reed High School** for becoming official **Partners in Education.**

I want to thank our great **Student Council** and **Leadership Class** for the great start to a school year for the school spirited Opening of School and Homecoming assemblies:

Student Body President - **Cecy Cervantes**, Vice President - **Diana Diaz Enrigues**, Secretary - **Kimmie Fullerton**, Treasurer - **Max Poore**, Historian - **Renee Leckie**, and Student Leadership advisor **Roni Green.**

I want to thank the class advisors: Freshmen – **Leigh Metcalfe**, Sophomores – **Julianne Dillard**, Juniors – **Jill Lauderdale**, Seniors – **Paula Leonard** and **Caroline Hirvela**, and Judicial Board – **Allison Sharpe.**

Congratulations to **Alvin Kwong**, **Kaitlyn Mc Nerney**, and **Molly Olsen.** They are among the 121 high-achieving first year students accepted into the University of Nevada, Reno highly selective **Honors Program** this fall. The University's Honors Program is a highly competitive academic program that seeks to provide students who are both academically talented and highly motivated with an undergraduate education that nurtures and promotes their ability to think competently, understand deeply and act ethically. Students are selected for this program based on high academic achievement, outstanding leadership ability and demonstrated interest in academic and career goals.

Please know that Reed High School Administration and teachers welcome all parents to participate in the daily life of high school. Although your work schedule may not permit you to volunteer your time during the day, other parents may have a schedule that would permit you to volunteer your time perhaps in the morning or maybe a day or two a week. Please see the volunteer form in this newsletter and consider completing it.

I hope that you will find our newsletter informative. Please check out our web page at:

<http://www.washoe.k12.nv.us/reed>

Thanks to **Carolyn Hughes** and her **web design class** for updating the site.

You will find a list of Reed's current activities and announcements (including daily announcements) and news from many of our academic departments. Beginning with this newsletter, **RAIDER NEWS** will be placed on Reed's web page (along with a link from Infinite Campus).

As always, if you have any suggestions or recommendations, please call.

Infinite Campus

In an effort to increase school to home communication, Reed High School's teachers are using Infinite Campus for grade reporting, attendance information, and parent communication. When viewing Infinite Campus, please make contact with the classroom teacher or counselor when questions or concerns arise.

It is imperative that you utilize the parent portal to log onto Infinite Campus weekly. This is a simple and easy way to consistently monitor your child's progress in high school. As you are checking Infinite Campus, please remember to also focus on effort and always provide positive praise.

If you have not yet activated your Infinite Campus Parent Portal account, please call Paula Edmonds at (775) 321-3112 or by email (pedmonds@washoeschools.net) for your activation code. It is the GOAL of Reed High School to have 100% of our parents / guardians logged into Infinite Campus by December 2013. Please help us reach our goal by logging into your parent portal.

HSPE EXAMS

The High School Proficiency Exams (HSPE) will be administered in November. Juniors and seniors who have not yet earned a passing score on one or more tests will retake them during this week. Keep in mind that these four tests (Reading, Math, Science, & Writing) and a minimum 22.5 credits are REQUIRED for graduation from any Washoe County High School, and your child's attendance and preparation are mandatory.

Please remind your child that personal electronic devices are not permitted in the testing environment, and failure to comply will result in a suspension.

***Washoe County School District 2013-2014 High School Assessment Calendar is located on the district website at www.washoe.k12.nv.us.

It is imperative that your child arrive on time to his/her HSPE testing room. All test proctors are instructed to begin promptly at 7:45am and end at 10:45am (extended time may be provided if requested by the tester at the end of the exam). All late testers will be sent to the main office to speak with me.

If your child is on a testing roster and has not arrived to his/her room, you will receive a personal phone call with a request to please bring your child to school to test. It is important that your child not be absent on testing days, but if unforeseen circumstances arrive please call our **attendance office** at (775) 321-3110, so they can accurately code the absence and notify the testing administrator.

HSPE Testing Dates for November 2013 (7:45am-10:45am):

- Nov 4 (Mon) No Delay: Math 11th & 12th - If Needed
 - Nov 5 (Tue) No Delay: Reading 11th & 12th - If Needed
 - Nov 6 (Wed) **3-Hr. Delay** (No Early Release): Writing 11th, 12th - If Needed

How To Do Better On Tests

Tests are a part of life...

Tests don't just happen in school. Want to get a driver's license? You have to take a test. Want to go to college or get into the armed forces? You'll have to pass a test. Many jobs, from fire fighter to lawyer, require you to pass a test before you can be hired.

Things to do before test day:

- **Don't Cram.**
Review in several short study sessions. You'll feel less pressure...and you'll remember more.
- **Study with a buddy.**
Try reviewing for the test with one or more friends.
- **Make flash cards.**
Flash cards are a great way to review everything from vocabulary words to match facts. Carry them with you for quick reviews.
- **Create a practice test.**
As you're studying, try to think of the questions you would ask.
- **Make a "Study sheet."**
In many subjects, there are a few key facts you need to remember for a test.
- **Dress for success.**
You don't need to wear your fanciest clothes. But what you wear can affect your performance on a test.
- **Eat breakfast.**
Even if you usually skip breakfast, have something to eat on test day.

- **Take the supplies you need.**

Don't wait until the morning of the test to get ready... that's a sure way to make you stressed.

When you're in the testing room:

- 1) Skim the test quickly. You don't want to turn to the last page of the test with five minutes left in class only to discover you have two essay questions to write. Knowing what's ahead will help you budget your time.
- 2) Read the directions carefully. You may want to underline important directions so you don't overlook them. If you're not clear about something in the directions, ask.
- 3) Don't be afraid to skip a question. If you come across a question you don't know, don't panic... it's just one question. Skip it and move on. Come back if you have time.
- 4) Look for "clue words." On a multiple choice or a true-false test, some words usually indicate an answer is wrong.
- 5) If you're using a separate answer sheet, make sure you're filling in answers to the right questions.
- 6) Check your work. Often, it's a careless mistake that leads to a wrong answer.

Reed Mentoring

Reed High School is in the beginning stages of implementing a mentoring program. Several of our staff members have volunteered for this extra responsibility and are mentoring students who need some extra support to achieve the success they desire. If you would like your student to be assigned a mentor, please contact me and I will work to make that happen.

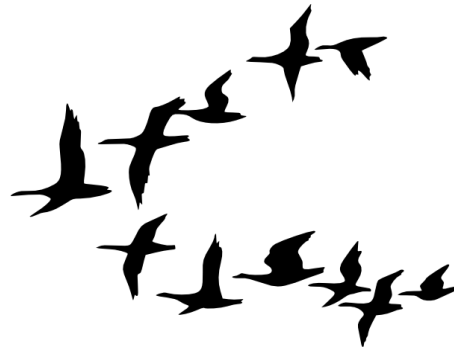

Freshman Credit

We are very proud of the gains made by our freshmen last year. In the 12-13 school year our freshmen earned 94% of the credits available compared to 86% in the 11-12 school year. Credit attainment during a student's freshman year is a key indicator of success. Our plan is to continue to provide incentives, recognition and support as our freshmen work to transition to the high school curriculum. As part of that, those who earned a 3.5 GPA at the first 9 week grade check received 8 off campus passes to be used at lunch. Each pass entitles them to one lunch off campus.

All freshman who earn at least a 3.0 GPA at the semester will be issued new off campus IDs and be allowed to leave campus at lunch any day they choose. Off campus privileges for students in grades 10-12 are based on their credits earned. They need to have earned enough credits to be on track to graduate.

Participation in School Activities

Attendance at school activities such as dances, prom, athletics and other school sponsored extra-curricular activities is a privilege and a great part of the high school experience. Students who engage in serious misconduct at school such as substance abuse or fighting will lose this privilege. Please encourage your student to participate appropriately in all school activities so they can fully enjoy their high school experience and allow others to do the same.

ATHLETICS

As the air turns cooler and the days get shorter, Fall sports is in full swing at Reed. We have survived the smoke with only a couple of games cancelled (and many more practices) and are pushing forward towards the playoff season.

First off, a big **thank you** to all of our **Fall coaches** for their flexibility and teamwork in getting practices scheduled. With so many teams needing indoor facilities, our Volleyball team continually stepped up by rearranging their practice plans to help accommodate all of our teams. On some days, our large gym was in constant use from 2:35 in the afternoon until 10:00 at night.

Below is the **schedule** for **regionals** and where applicable the team standings as of this printing. Please take a look to find your team and where they will be playing this coming regional season. Parents, please remember that all playoff contests are NIAA events and we are unable to honor season passes issued at Reed. Also, as a change this year the price for attendance at these events has gone up. Adult tickets will now be \$10, students will be \$5 and Senior citizens (65 and over) will be \$3.

Football:

Current Record 5-0, 1-0 (League Play)
Regionals will begin on November 8th at the highest seed site (Reed is currently the #1 seed for the High Desert League)

Boys Soccer:

Current Record 4-5-1

Reserve Officer Training Corp (ROTC)

RAIDER NEWS ~ Edward C. Reed High School Community Newsletter ~ November / December 2013

The Reed Battalion is off to a great start! We began the year with **Freshman Marching Camp** at Reed High School. During this event 80 freshman cadets spent two days getting to know some of their future cadet leaders and learning what ROTC is all about.

After twenty years of teaching we were very sorry to say good-bye to **Lieutenant Commander Janca**. We are most excited to welcome **Master Chief Walker** as our next instructor. He comes to Reed from Florida.

On September 1st, eleven of our cadets had the opportunity to attend and volunteer at a fundraiser event for **Honor Flight**. Honor Flight is an organization that works to fly veterans

to Washington D.C. to visit memorials dedicated to World War II, Iwo Jima, the Vietnam War, the Korean War, and other wars.

On September 4th our annual **Welcome Aboard Party** was held. There were plenty of food, drinks, and of course music and dancing. The highlight was the senior auction, which earned lots of laughs and also acted as a small fundraiser. Cadets bid on their favorite senior and the highest bidder purchases him or her for a dance and a day. The proceeds made go to the ROTC program. Cadets were also responsible for bringing cans of food for the upcoming **canned food drive**.

On our first field trip 84 cadets had the opportunity to spend a day at the **Air Races** at **Stead Field**. Cadets were not only able to see the aircrafts but also had a chance to talk to the pilots.

ROTC's Color Guard is already hard at work performing at multiple school assemblies, and also at non-school events, such as the Tail Hook convention. Both

the Color Guard and the Honor Guard also performed at the Reed Homecoming football game on September 20th.

The **Color Guard, Armed, and Unarmed Drill** teams are diligently practicing for the upcoming **Drill Meet** at Spanish Springs on October 5th. Cadets practice not only after school, but also in the early hours before school - all to accomplish their goal of perfection.

In class students are hard at work marching, training to be physically fit, and studying important leadership traits. They are also learning general knowledge about the military and its different branches.

Cadets are also preparing for upcoming events such as the **Nevada Day Parade** on October 26th, the Reed Drill Meet on November the 2nd, and Poppy Sales on November 9th.

The Reed ROTC cadets are looking forward to another busy year.

Senior Interviews

The counselors have wrapped up senior interviews and have made plans with each senior at Reed High School. Watch your mailbox for a copy of that senior plan as well as a copy of the current transcript. ASVAB

The ASVAB can help you take steps toward finding a career that is right for you. You can benefit from the ASVAB whether you plan to pursue further education or enter the workforce after high school. Take the ASVAB to:

- Learn more about yourself and the world of work.
- Develop an effective strategy to realize your career goals.
- Explore occupations in line with your interests and skills.

For more information, visit <http://www.asvabprogram.com/>.

The ASVAB will be administered in the Reed High School cafeteria, to Reed students only, on **November 19th** starting at 7:45am. A sign-up sheet will be available at the Counseling Counter in October.

Test results will be administered in the Reed Theater on January 22nd starting at 7:45am.

Reminders will go out to students who sign-up and their attendance will be excused for these events.

Parent Info Nights

In an effort to make important information more accessible to parents and students, the following events have been scheduled by the counseling department. All events will be held at Reed High School on the following Wednesday nights. They will begin at 6pm and end by 8pm. We hope you to see you there!

November 13, 2013

Resources and Referrals – Learn about school and community resources that can help your child(ren) succeed academically, personally, and socially.

January 22, 2014

Financial Aid – Seniors and their parents are encouraged to attend for information about and help with completing the Free Application for Federal Student Aid (FAFSA).

February 12, 2014

AP Night – Become familiar with Reed's Advanced Placement (AP) classes and options.

April 23, 2014

Topic To Be Announced – Information will be available at a later date.

SOS Program

The teen years are marked by a rollercoaster ride of emotions- difficult for teens, their parents, and educators. It is easy to misread depression as normal adolescent turmoil; however, depression (among the most common of mental illnesses) appears to be occurring at a much earlier age, and the past decade has seen teen suicide rates double.

In order to proactively address this issue, Reed High School will be partnering with the Children's Cabinet and the Nevada Office of Suicide Prevention to offer the SOS Signs of Suicide® Prevention Program later this academic year. The program will involve an educational component where students will be empowered to recognize the warning signs of depression or suicidality within themselves or a friend and to seek help if needed. Following the educational component, students who have received active consent from parents will complete a brief screening for signs of depression or suicidality, and those youth whose answers indicate they may need help will meet with a qualified mental health professional and additional follow up services will be recommended.

What is the SOS Program?

The SOS Signs of Suicide® Prevention Program has been used by thousands of schools over the past nine years across the nation. It has proven successful at teaching students who are concerned about themselves or a friend, and is the only school-based suicide prevention selected by SAMSHA for its National Registry of Evidence-Based Programs and Practices that addresses suicide risk and depression, while reducing suicide attempts.

Our goals in participating in this program are straightforward:

- To help students understand depression is a treatable illness, and help them assess whether or not they may have symptoms consistent with depression.
- To explain that suicide is a preventable tragedy that often occurs as a result of untreated depression.
- To provide students training in how to identify serious depression and potential suicidality in themselves or a friend.
- To impress upon teens that they can help themselves or a friend by taking the simple step of talking to a responsible adult about their concerns.

We will be sending home parental permission slips later this year and encourage you to allow your son or daughter to participate in the screening. If you have any questions, please contact Taylor Morgan at the Children's Cabinet at 348-6781, or Joan Bohmann, Ph.D., NCSP, Coordinator Psychological Services for Washoe County School District at 861-4405.

VOLUNTEER COMMITMENT AND PROCEDURES
READ THE FOLLOWING CAREFULLY BEFORE SIGNING AND DATING THIS APPLICATION

Screening: For the safety of students, all prospective volunteers will be asked to complete an Adult School Volunteer Application and provide a photo I.D. (international ID's are accepted). All prospective volunteers will be given a "Background Check" check pursuant to NRS 179D. Additionally, the District, in its discretion and without a statement of reason, may require a complete criminal history check on any volunteer at any time. In programs where a volunteer is an Overnight Chaperone and may work alone for extended periods of time with a student or by request from the principal, fingerprinting and a full state and federal background check are required. If fingerprinting is required, the school district will cover these costs. All fingerprinting must be authorized.

Confidentiality: What you hear and observe about students, families, and staff while volunteering in a school is **confidential**. Repeating a seemingly harmless comment can lead to misunderstandings and hurt feelings. For schools to provide the best environment for learning, everyone's privacy must be respected.

Liability: The Washoe County School District is proud to provide liability coverage and an accident policy for its volunteers, which will provide up to \$1,500 after any other valid and collectable insurance. In order to have this protection, **all volunteers must sign in on the school's volunteer / visitor sign in sheet** (in every school office) every time they volunteer. Volunteers are not covered by Workers' Compensation.

Child neglect and abuse reporting: School volunteers are obligated under mandatory child reporting laws to report any suspected child neglect or abuse. Please refer to Washoe County School District mandatory reporting guidelines.

Supervision: Volunteers perform under the direction and supervision of school personnel. Volunteers should know and follow school policies and rules. The District, in its discretion and without a statement of reasons, may suspend any volunteer from further volunteer activities pending any background check. No statement by the District establishes a property right to perform volunteer work.

Communication: If you are unable to make it to school when you are expected, please call the school and leave a message. Similarly, school staff will contact you if your time is cancelled or changed for any unforeseen reason. You may contact the WCSD Volunteer Services Office at 775-851-5655, or email llightfoot@washoe.k12.nv.us with questions or for assistance.

Student / Volunteer relationships: Volunteers function in a position of trust and Washoe County School District does not extend that volunteer / student trust relationship outside of the supervised school environment. It is the responsibility of the volunteer to notify the site administrator immediately if he/she becomes involved with a student / family outside the WCSD environment.

I affirm that I have read and understand all the information on this Adult School Volunteer Application and that all the information I have provided in this application is true and complete to the best of my knowledge. I understand that WCSD reserves the right to verify all information on this application form and that any false statements or failures to disclose information may be sufficient to disqualify me as a volunteer. I hereby authorize Washoe County School District to obtain information relating to my current and / or previous employment, education, and personal history records.

October is a time when hands come together across the nation, working to make a difference.

Our own Raider Nation is no different.

Student Leadership, Key Club, Raiders Reaching Out, National Honor Society, and other groups have made a huge difference in our community.

We raise funds, donate an array of desperately needed items, work with diverse groups from small children to the elderly, clean up local parks and environmentally sensitive areas, and much more.

One recent accomplishment stands out. The hundreds of hours we have spent at the **Northern Nevada Food Bank** have recently earned us a place as one of their top volunteer groups. Representatives from Reed have been invited to a special luncheon to celebrate this achievement.

Keep up the good work, Raiders.
You bring honor to us all.

Big Future – A Very Helpful Website

Created by the College Board

Big Future is a web based resource that contains information and tools needed to help students make good college decisions.

The mission of Big Future is to “guide more students to college, motivate students of all backgrounds, help to get students more engaged in college planning, and help steer students toward the colleges where they have the best chance of success.” – *The College Board*

The Big Future website has six elements to help students and parents. The six elements are: *Get Started, Find Colleges, Explore Careers, Pay For College, Get In, and Make a Plan.* Big Future is a comprehensive college planning program with a large college search component. When students sign up on the website, their information is saved as they complete activities.

There is a wealth of information on the Big Future website. The college search features are very customizable.

United Federal Credit Union Receives Recognition as National Federal Credit Union of the Year

United Federal Credit Union (UFCU), was chosen as National Federal Credit Union of the Year by the National Association of Federal Credit Unions (NAFCU). UFCU was honored today at NAFCU's 46th Annual Conference and Solutions Expo held in Boston.

"United Federal Credit Union is honored to be the recipient of this prestigious award," stated UFCU President/CEO Gary Easterling. "Our employees will continue to blaze the trail for other financial institutions to follow in our path by continuing to grow in the midst of adversity and providing people-first Member service."

Nominees were judged on several selection criteria, including exceptional market growth, successful handling of adverse situations, and other major successes. UFCU demonstrated excellence in these criteria by completing the historic purchase of Griffith Savings Bank in Griffith, Indiana, in 2012. That purchase marked the first time a federally-chartered credit union purchased the assets of a state-chartered FDIC-insured mutual savings bank.

Credit unions were evaluated in a variety of other areas, including successful navigation of industry and legislative changes, positive community impact, sound financial management, service to low- and moderate-income individuals, and commitment to Member education. UFCU and its employees donated over \$229,000 and 665 volunteer hours to community organizations.

Reed HS branch tellers celebrated the occasion with UFCU Members and staff, pictured below:

Safe 'n Sober Grad Night 2014

Following graduation commencement

Dear Senior Parents,

Graduation, followed by grad night, is one of the most memorable events in a teenager's life. Since the founding of the Safe 'n Sober Foundation, not one Washoe County grad has been killed on grad night. It is a time to celebrate, but safely and with your follow grads! With your help and support, we can make this a night the Reed High School class of 2014 will remember forever.

The 2014 Safe n' Sober committee needs your help in planning a wonderful event with really fun activities, lots of food, and prizes galore! We invite **ALL OF YOU** to be part of this fun- filled night. In order for this event to be a success, we need your help.

Raffle prizes include approx 100 smaller items (gift cards and misc. items) , cash prizes ranging from \$250 - \$50, computer, ipad, tv, and 15-20 themed gift baskets, and various dorm items, have been the must haves at our previous events.

PARENTS: We are in need of volunteers and donations of all kinds. This is a very large undertaking and we really need **EVERYONE'S** support. Reed High is in danger of not being able to host this event. Last year over 60 volunteers helped on grad night 10:30pm - 5:00 am , this year, we are a committee of 4, so we really need your input. We need help now in the planning of this huge and important event. We hope we can count on you to volunteer .The parents, grandparents, and family friends who volunteer always say it is just as much fun for them as it is for the grads.

We do not have a definite grad date yet this year, but planning must start! We have contracts to sign, deposits to make and prizes to buy. It seems like June is a long time away, but it takes about 8 months to plan! Please contact Delpha Rizzuto or myself and we can start the planning.

Sincerely,

Mary Munsterman, correspondence chair - marymunsterman@yahoo.com
